WE Walk For Water Classroom Resource

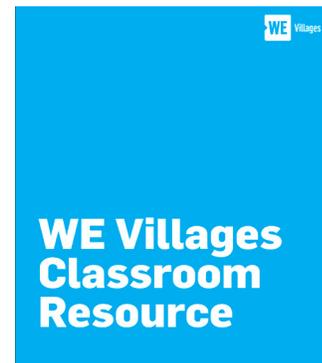

The WE Walk For Water classroom resource is designed to create an experiential service-learning opportunity for students. They will develop an understanding of the current global water crisis, how this crisis impacts people and communities around the world and how they can be part of positive change.

Grades: 1 to 3, 4 to 6, 7 to 8, 9 to 12
Fundraising Initiative Connection: WE Walk For Water

WE Villages Classroom Resource

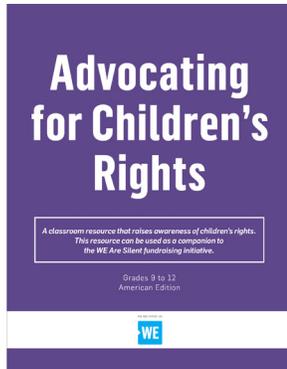

The WE Villages Classroom Resource is designed to introduce students to the concepts of human rights and sustainable development. Through an inquiry project, students will have an opportunity to explore connections between the WE Villages sustainable development model and the United Nations Sustainable Development Goals, and to understand how they work to support human rights.

Grades: 1 to 3, 4 to 6, 7 to 8, 9 to 12

Advocating for Children's Rights

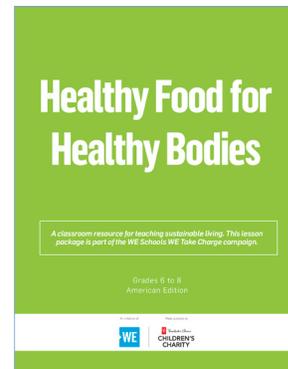

Through picture books, personal narratives and case studies, students will explore the United Nations Convention on the Rights of the Child and discover how these rights are being denied to children and young people around the world. Students will work collaboratively to raise awareness of these issues within their school and community.

Grades: 1 to 3, 4 to 6, 7 to 8, 9 to 12
Fundraising Initiative Connection: WE Are Silent

Healthy Food for Healthy Bodies

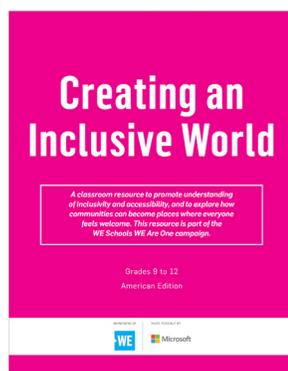

In this resource, students explore how healthy food helps the body grow, function and develop, and are empowered to make their own healthy choices about the food they eat.

Grades: Kindergarten to 3, 4 to 6, 7 to 8
Campaign Connection: WE Eat Well

Creating an Inclusive World

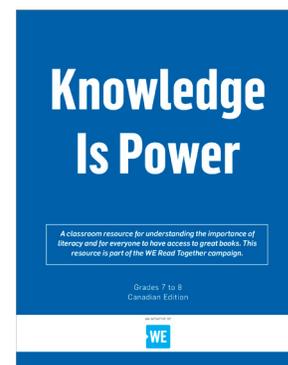

Creating an Inclusive World is a classroom resource designed to foster an understanding of the issues surrounding accessibility. Students will be encouraged to consider how inclusive design could be applied to their space, interaction or experience to ensure that it is inclusive for all people.

Grades: 6 to 8, 9 to 12
Campaign Connection: WE Are One

Knowledge Is Power

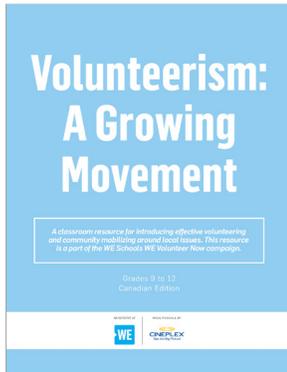

Students will learn about barriers to literacy and issues that affect literacy rates across populations. This classroom resource creates opportunities for students to learn about social justice issues through fiction and non-fiction texts.

Grades: 1 to 3, 4 to 6, 7 to 8, 9 to 12

Volunteerism: A Growing Movement

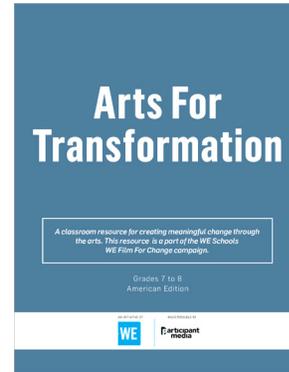

Volunteering is a purposeful action taken to create positive change in communities. Through this resource, students will evaluate organizations and volunteer experiences. Students will reflect on the impact their volunteering has on others as well as themselves.

Grades: 1 to 3, 4 to 6, 7 to 8, 9 to 12
 Campaign Connection: WE Volunteer Now

Arts for Transformation

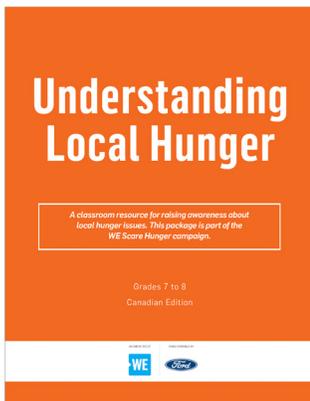

Students will study the use of film as an adaptive medium for creating powerful stories. They will create short films that capture dialogue between individuals, centring on themes of companionship, respect and compassion for others. Students will be invited to use real-life stories as well as classroom texts to exemplify the impact that relationships have on their lives.

Grades: 4 to 6, 7 to 8, 9 to 12
 Campaign Connection: WE Film For Change

Understanding Local Hunger

Students will explore the causes and effects of hunger through literature and media, statistics, and experiences within their community. Through this resource, students will analyze myths and stereotypes about hunger and develop an awareness of how hunger impacts their local community.

Grades: 1 to 3, 4 to 6, 7 to 8, 9 to 12
 Campaign Connection: WE Scare Hunger

It All Adds Up

Students will become empowered in their financial decisions, now and in the future. They will gain an appreciation for the concepts of earning, saving, giving and spending. Students will learn the impact that their financial decisions have on them, their community and the world.

Grades: 4 to 6, 7 to 8, 9 to 12
 Campaign Connection: WE Create Change

Creating Healthy Communities

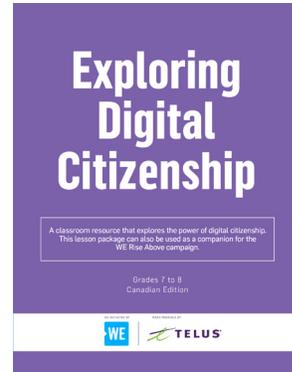

Students will investigate and gain an appreciation of what it means to promote, restore and maintain health in their lives and in the lives of people in developing countries.

Grades: 1 to 3, 4 to 6, 7 to 8, 9 to 12

Exploring Digital Citizenship

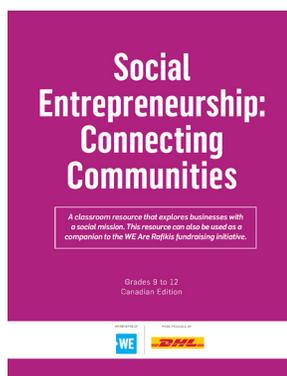

Students will explore causes and effects of cyberbullying. They will then learn how to create safer spaces for themselves and others online, using the principles of digital citizenship.

Grades: 4 to 6, 7 to 8, 9 to 12
Campaign Connection: WE Rise Above

Social Entrepreneurship: Connecting Communities

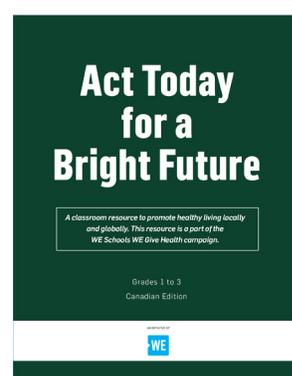

Students will investigate social entrepreneurship, its purpose and its guiding principles. They will study examples of successful social enterprises and consider the impacts of social entrepreneurship on local and global development and the future of business.

Grades: 4 to 6, 7 to 8, 9 to 12
Fundraising Initiative Connection: WE Are Rafikis

Act Today for a Bright Future

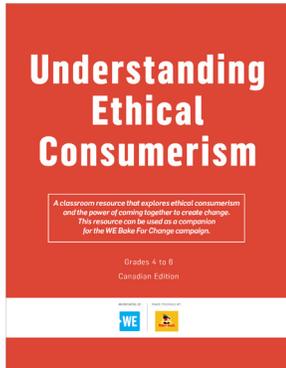

Students will develop an understanding of sustainability and the factors that challenge and contribute to the preservation of the environment and natural resources. They will explore different perspectives on the production and use of goods and services that are a part of their everyday lives.

Grades: 6 to 8, 9 to 12
Campaign Connection: WE Go Green

Understanding Ethical Consumerism

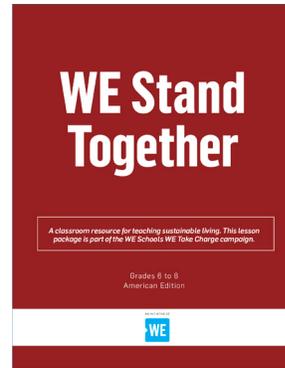

Students will study ethical production and socially conscious consumerism, and examine their impacts on communities. They will learn that the production of goods is multifaceted and affects communities locally and globally. Students will create an action plan to host a bake sale that benefits WE Villages communities while reinforcing what they've learned about the supply chain.

Grades: 4 to 6, 7 to 8, 9 to 12
 Campaign Connection: WE Bake For Change

WE Stand Together

WE Stand Together lesson plans explore the rights, cultures, traditions and experiences of Indigenous peoples. They are designed to encourage learning and dialogue on the relationship between Indigenous and non-Indigenous people in Canada.

Grades: 1 to 3, 4 to 6, 7 to 8, 9 to 12
 Campaign Connection: WE Stand Together

WE Learn Together

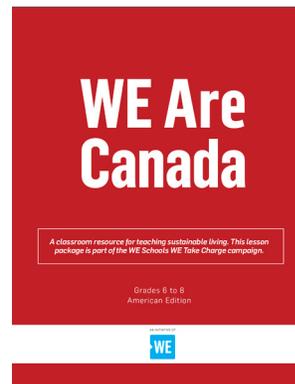

This resource guide is designed to introduce educators to the breadth of Indigenous programming and resources offered by WE Schools.

Grades: 4 to 12

WE Are Canada

WE Are Canada will bring to life five themes that will inspire young Canadians to learn about important issues, come together to take action in their communities and celebrate their efforts in building a stronger Canadian future.

Grades: 4 to 6, 7 to 8, 9 to 12

Global Voices

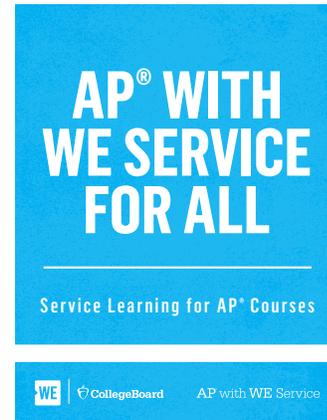

Global Voices is a collection of classroom resources based on non-fiction articles written by Craig and Marc Kielburger. These resources aim to bring current events into the classroom and encourage students to become informed citizens and critical media consumers.

Grades: 4 to 8, 9 to 12

AP[®] with WE Service

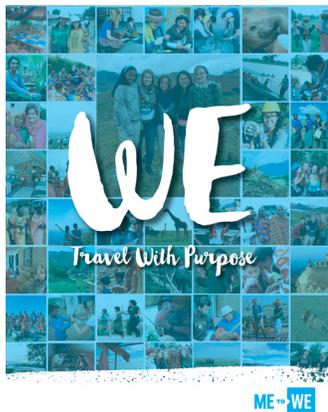

AP[®] with WE Service is a unique program that engages students with service-learning activities to strengthen their understanding of AP[®] course content and skills.

Available: In all AP[®] courses

WE Travel with Purpose

WE Travel with Purpose helps educators engage students prior to embarking on a ME to WE service-learning trip. Students will complete a series of reflective seminars that will prepare them for travel and personal growth.
