Formulation Number   WA/G-0099.10.B16

Legal Name           Carbonated Spring Water

Ingredient List       None

Warning Statements   None

Nutrition Claims      None

Health Claims        None

Other Claims         BRITISH SPRING WATER

                              Beautifully British  
                              Ahhhh... that perfectly pure taste. Nothing quite like it is there? That's because every drop of Schweppes Abbey Well is filtered for 3,000 years through sandstone in the Northumbrian countryside and bottled at our single protected source. And that's all there is to it – just Great British spring water.

Durability            Best Before End: see base of can for date  
                              Best Before End: see side of cap or bottle neck for date
