

INFORMATION ABOUT YOUR CRUISE SHIP

Galápagos Islands & Ecuador

SHIP: M/V GALÁPAGOS LEGEND	RE FURBISHED: 2016	OCCUPANCY: 100	TONS: 2,746
-----------------------------------	---------------------------	-----------------------	--------------------

AT A GLANCE

An expedition ship that offers a luxurious sailing experience, the M/V Galápagos Legend brings a bit of elegance to adventure cruising. On-board experts, trained at the Darwin Center, help you get an intimate yet environmentally safe look at the islands.

DECK PLAN & HIGHLIGHTS

4 decks

- Observatory
- Sun terrace
- Library
- Pool and solarium
- Jogging track

AMENITIES

The M/V Galápagos Legend might be a smaller ship, but she takes inspiration from large cruise liners for a smooth sailing experience. When you're not discovering all the Galápagos Islands have to offer, soak in the sights from the ship's observation decks, lounge by the pool or enjoy a rejuvenating experience in the sauna.

DINING

Ecuadorean specialties are a highlight of the M/V Galápagos Legend's on-board buffet, but you'll also find a range of international foods prepared with fresh ingredients. You can also enjoy sipping tea at the ship's coffee bar or indulge in a cocktail poolside.

ENTERTAINMENT

The M/V Galápagos Legend offers a range of activities to suit any traveler's style. Attend a lecture led by one of the ship's naturalist guides, get lost in a good book at the library or set out in the specialized glass-bottom boat to catch a glimpse of sea life from a new angle.

CONNECTIVITY

Wifi-Internet packages can be purchased while on the cruise ship.

WILDLIFE GUIDES & EXCURSIONS

Follow expert naturalists as you discover the unique beauty of the Galápagos Islands. Knowledgeable guides lead excursions, from snorkeling to bird-watching, so you can get closer to the diverse marine life and incredible animals that call the Galápagos home.
