

EF Go Ahead Tours at a glance

Our tour portfolio has more than **175 trips that visit all 7 continents.**

It would take one person almost 6 years of continuous travel to go on them all...

... but if they did, they'd travel on 9 of those tours for free—thanks to our top-notch loyalty program, Club Go.

From our first ever departure in 1990

to today, our Grand Tour of Italy (originally called “The Magic of Italy”) has anchored our tour portfolio for nearly 30 years.

Speaking of our travelers, our group size is capped at 14–35.

That’s at least 10 fewer than the industry standard of 45, and smaller groups mean a more personal experience.

The prize for most trips taken with us goes to Eugene from California,

who has been on 60 of our tours (and counting).

24/7/365, or as the Beatles said, “eight days a week”

our On-Tour Support Specialists are always on call to help travelers in need of assistance on tour.
