

Notice regarding

*the use of the KRUU photo booth
and, if applicable, the KRUU Audio Guestbook*

1.

A KRUU photo booth is available at this event. Depending on the booked package, the KRUU App, an online gallery, and/or a KRUU Audio Guestbook may also be used.

2.

If you use the photo booth, pictures of you will be taken. During the event, these pictures can be viewed and downloaded by all guests on-site in the photo booth gallery. After the event, the pictures can be shared with all event guests via the KRUU App or online gallery.

If the KRUU Audio Guestbook is used, voicemails can also be recorded, saved, and made available to the event host after the event.

4.

The use of the photo booth and the Audio Guestbook is voluntary. Please only use these features if you agree to the recording, storage, and provision of your pictures or voicemails.

5.

The event host is responsible for the use and release of the recordings in the context of this event.

If you have any questions about the use or deletion of individual recordings, please contact the event host.
