We understand that this decision may impact your operations and wish to assure you that we are committed to providing ongoing support during the product discontinuation period. Here are some important details to note:

Remaining Inventory

While we have ceased production, we do have limited inventory remaining of certain products. If you anticipate needing additional quantities to meet your ongoing needs, please contact your Technopath commercial representative or e-mail iplaq@technopathcd.com, as soon as possible to discuss availability.

Product Support

We will continue to provide full technical and customer support for these products until 31-August-2026.

We apologise for any inconvenience this may cause. Please contact your Technopath commercial representative with any questions.

Sincerely,

Ian Langton
