1. Wireless speaker overview

- Model Indicators
- Power ON/OFF: On/Off
- Volume up / Volume down
- Micro USB charging cable
- 3.5mm audio cable
- User manual / Quick user guide

2. What's in the box?
- Wireless mini soundbar
- Micro USB charging cable
- 3.5mm audio cable
- User manual / Quick user guide

3. Power On/Off

- Power ON: Slide the on/off switch to ON.
- Power OFF: Slide the on/off switch to OFF.

4. Pair and connect with Bluetooth-enabled devices

- Step 1: Get Torpedo Plus into pairing mode. For first-time use, power on, Torpedo Plus will automatically enter pairing mode and beep. To pair, select "Torpedo Plus" on your device.
- Step 2: Activate Bluetooth on your smartphone and select "Torpedo Plus." For PC, make sure the Bluetooth device is Torpedo Plus.
- Step 3: Once connected, you will hear a beep and the LED indicator will light up.

5. Connect with non-Bluetooth-enabled devices

- When the device is not Bluetooth-enabled, it can be connected to the speaker by using the 3.5mm audio cable. The speaker will automatically switch to the external audio input mode and the indicator will light up.

6. Connect with two devices simultaneously

- Step 1: Connect Torpedo Plus with the first device as above. Then turn off Bluetooth of the first device.
- Step 2: Connect Torpedo Plus with the second device as above. Turn on Bluetooth of the first device and click "Torpedo plus," it will no longer connect with Torpedo Plus.

7. How to use

- Once connecting successfully with another device, you can press the MODE button to switch between modes. It will automatically go back last audio mode when power on again.

8. How to charge

- When the battery is low, the mode indicator will flash. Please charge Torpedo Plus to power source (AC adapter, PC, or USB socket) with USB cable. Normally, it will take about 3 hours to fully charge with AC adapter (5V 1A). The TV and PC will take more time.
