

Corporate Insurance

Excellent professional
value added service

About us

GIB's Corporate Insurance prides itself on providing a multitude of different products and services for the sole benefit of our valued clients. From global insurance, individualised corporate solutions, specific niche products and much more, GIB insures reliable cover on all fronts. After detailed risk assessments are conducted, structured solutions tailored for each company are made.

GIB's international reach extends out to Africa insuring companies across the continent for over a decade. The bigger the risk it faces, the more specialised its insurance needs are and at GIB we are committed to finding the best cover for you and your business.
