Adult, Adolescent,
and Pediatric

10/25/2121

Dear Patients:

It is with mixed emotions that I announce my retirement from active practice, effective January 21, 2022. It has been a great pleasure providing for your health care needs over the years, and it is not easy for me to give it up. I have practiced medicine for almost 40 years. It has been an honor and a privilege.

As of January 22, 2022 Dr. Jennifer Stalkup, MD and the other providers in her office (Dr. Brooke Renkes, MD, Sheree Patel, PA and Leslie Hornberger, PA) will take over my practice. Your medical records will remain in Dr. Stalkup's office at Plano Dermatology. Additionally, Dr. Karen Lund, MD and Dr. Natalie Wright, MD are both board certified dermatologists with practices in the Plano Dermatology building. The telephone number to all of the providers is (972) 608-0330.

Of course, you may seek medical care from another doctor if you like. If you choose to do so, I recommend looking for a new physician as soon as possible. The American Academy of Dermatology (AAD.org) can help you begin your search by providing the names of dermatologist near you. Additionally, if you want me to recommend someone closer to your home, I am happy to try and recommend someone I may know. Contact the office and leave a message for me to do so.

Your medical records are confidential. A copy can be transferred to another doctor or released to you or to another person you designate only with your permission. If you choose to see a different physician, please call the office and they will provide the necessary form.

Many of you have been my patients for over 25 years. We've shared many life events. I have valued our relationship greatly. Thank you for your loyalty and friendship over the years.

Best wishes for your future health.

Sincerely,

Karen R. Houpt, MD
