Introducing a new addition to Candle of Hope

Share Messages of Kindness this Christmas

As part of your Candle of Hope journey, we invite your team to create a Tree of Hope, a place to share words that lift the heart and remind us that even in dark times, kindness shines brightest.

When your business signs up to **Pieta's Candle of Hope** campaign, you'll receive Messages of Hope baubles for your tree. Each team member can write a short message of hope on the bauble and if you wish, send some back to Pieta to be displayed on our Trees of Hope across Ireland, spreading light and connection even further.

Mark the moment with a simple Tree Lighting Ceremony. It's a beautiful way to bring your team together in reflection and hope.

Together, we can fill Ireland with messages of kindness, one light at a time.

If you are interested in choosing Pieta as your charity partner, or would like to discuss other ways you can support us please contact our friendly team.
