Project Name:

Assignee:

Location:

Date Completed:

## 1. GENERAL

1.1 Total number of workers on the jobsite

Add note:

1.2 Is there a designated illness monitor on site?

Yes

No

N/A

Add note:

1.3 If not, are workers trained on how to recognize COVID-19 symptoms & prevent infection transmission?

Yes

No

N/A

Add note:

1.4 Were there any workers identified with acute respiratory illnesses on site (cough, fever, shortness of breath)?

Yes

No

N/A

Add note:

1.5 If so, how many workers were identified? (Please attach pictures of worker information.)

Yes

No

N/A

Add note:

1.6 If workers were exhibiting symptoms, were they sent home?

Yes

No

N/A

Add note:

3.3 Are all project meetings limited to 10 or fewer people?

Yes

No

N/A

Add note:

## 4. ADMINISTRATIVE CONTROLS

4.1 Are phone or virtual meetings encouraged to avoid groups meeting in person?

Yes

No

N/A

Add note:

4.2 Are workers subdivided into smaller groups?

Yes

No

N/A

Add note:

4.3 Are work shifts staggered?

Yes

No

N/A

Add note:

4.4 Are company vehicles used by one person?

Yes

No

N/A

Add note:

4.5 Do employees bring personal water bottles?

Yes

No

N/A

Add note:

4.6 If not, are individually-packaged water bottles provided to workers, instead of a community-use spigot or dispenser?

Yes

No

N/A

Add note:
