## Welcome at Chabo Bags!

We design leather bags and accessories, creating since 2010. Dutch design bags, made with love in India & Indonesia. Our goal is to make bags that are basic & fashionable, bags that underline your personality. Bags that will turn even more beautiful while wearing.

We produce our bags with factories that are reliable partners, and are international certified ones.

In this new Lookbook we proudly present our new collection. Our soft buff bags from India and our naturall leather cow bags from Indonesia, All in the Chabo look & feel.

Chabo means "friend", we hope you'll find yours in this LookBook!
