# IB Diploma Program subject lists

The IB Diploma is an academically challenging and balanced program of education with final examinations that prepares students, aged 16 to 19, for success at university and life beyond. It has been designed to address the intellectual, social, emotional and physical well-being of students. IB students must choose one subject from each of the five groups (1-5) as well as either an Arts subject from group 6 or an additional subject from any group 1-5. In addition to disciplinary and interdisciplinary study, the IB Diploma program features three core elements that broaden students' educational experience and challenge them to apply their knowledge and skills: Creativity, Activity and Service; the Extended Essay; and Theory of Knowledge.
