

New York

Clubs and Programs

Our range of exciting clubs, sports and enrichment activities will allow you to broaden your horizons, discover new passions and build lasting friendships. Fun and learning go hand-in-hand in these co-curricular activities that invite students to think, grow and explore together.

Academic Clubs

Debate Club

Debate complex questions about life, ethics, and the world as we know it..

DECA Business and Finance

Work on projects and presentations to learn about entrepreneurship, marketing, finance, and management.

Environmental and Sustainability Program

Explore, engage with, and improve EF Academy's wide array of natural resources. Attend nature walks and grow your own food in our campus garden.

Learning Lab

The Learning Lab is for English language students who need extra support on their coursework.

Model United Nations

Learn about diplomacy and negotiation through country simulations and conferences with other students.

National Honor Society*

Work to build character, leadership, service, and scholarship within the school community.

Outdoor Leadership Program*

Explore nature through hiking and camping. Work on teambuilding through activities like rope courses and outdoor challenges.

Robotics/Olympiad Team

Build and program robots and compete against other area schools.

Student Council

Make the school a better place with student government, from organizing events to changing school policies.

TEDx

Curate student speaking events to inform the community about important topics.

Volunteer Club*

Heighten your cross-cultural learning, global understanding, promote health and wellbeing, and support community development

Yearbook Club*

Preserve the year's memories by curating the yearbook, complete with photos, quotes, and more.

Arts, Music, & Writing

Academy Rocks

Join the school's rock band and jam in the after-school sessions.

Paint-by-Number Club

Express yourself and paint along a canvas that guides your creativity.

Analog Photography Club

Learn all aspects of film photography such as loading film, exposure, iso, aperture, framing, developing, scanning, enlarging/printing, techniques and much more.

Art Club

Develop your artistic abilities and create different types of artworks.

Art Portfolio Program

Prepare your portfolio to help with your art school application and future career.

Choir*

Learn to sing or show off your skills in the school choir.

Dance Club*

Build community while inspiring self-confidence, inclusivity, and fun.

Drama Program

Put on annual productions of musicals/plays.

EFATV Club*

Film, edit and produce videos to bring campus news to the community.

Film Club

Watch international films and discuss them with your peers.

Literary Magazine Club

Write and create artwork for the school's annual magazine.

Music Time Club

Get a chance to improve your musical skills, individually or in a group.

**These clubs and programs take place outside of the school day*

Clubs are subject to change each term based on student interest and availability

Students must apply and be selected to participate in programs

New York Clubs and Programs

Culture & Language

Anime Club

Learn about the art of anime through film and conventions in NYC.

Feminist Club*

Raise awareness for women's rights through activities and projects that positively affect women's (and human) rights.

Lunar New Year Program

Prepare and organize for the campus-wide celebration of the Lunar New Year.

Pride Not Prejudice Club*

A place of awareness and acceptance; a voice of advocacy and belonging on campus for the LGBTQ+ community.

Relaxation & Leisure

Chess Club

Have friendly competition and use learning strategies to play and win games with friends.

Coloring Book Club

Take a brain break, relax, and unwind in a group setting while you color and let your creativity flow.

Dungeons and Dragons

Play the famous tabletop game by building characters and adventuring in fantasy settings.

Lego Club

A safe, judgement-free zone to play, build and design with Legos.
