Clubs and Programs

Our range of exciting clubs, sports and enrichment activities will allow you to broaden your horizons, discover new passions and build lasting friendships. Fun and learning go hand-in-hand in these co-curricular activities that invite students to think, grow and explore together.

Academic Clubs

Debate Club
Debate complex questions about life, ethics, and the world as we know it.

DECA Business and Finance
Work on projects and presentations to learn about entrepreneurship, marketing, finance, and management.

Environmental and Sustainability Program
Explore, engage with, and improve EF Academy’s wide array of natural resources. Attend nature walks and grow your own food in our campus garden.

Learning Lab
The Learning Lab is for English language students who need extra support on their coursework.

Model United Nations
Learn about diplomacy and negotiation through country simulations and conferences with other students.

National Honor Society*
Work to build character, leadership, service, and scholarship within the school community.

Outdoor Leadership Program*
Explore nature through hiking and camping. Work on teambuilding through activities like rope courses and outdoor challenges.

Robotics/Olympiad Team
Build and program robots and compete against other area schools.

Student Council
Make the school a better place with student government, from organizing events to changing school policies.

TEDx
Curate student speaking events to inform the community about important topics.

Volunteer Club*
Heighten your cross-cultural learning, global understanding, promote health and wellbeing, and support community development.

Yearbook Club*
Preserve the year’s memories by curating the yearbook, complete with photos, quotes, and more.

Arts, Music, & Writing

Academy Rocks
Join the school’s rock band and jam in the after-school sessions.

Paint-by-Number Club
