- **Department of Health and Children Circular (7/2010)**
- **Department of Environment, Community & Local Government Circular (Letter LG (P) 06/2013)**

Incentivised Scheme for Early Retirement (ISER)

It is a condition of the Incentivised Scheme for Early Retirement (ISER) as set out in Department of Finance Circular 12/2009 that retirees, under that Scheme, are debarred from applying for another position in the same employment or the same sector. Therefore, such retirees may not apply for this position.

Department of Health and Children Circular (7/2010)

The Department of Health Circular 7/2010 dated 1 November 2010 introduced a Targeted Voluntary Early Retirement (VER) Scheme and Voluntary Redundancy Schemes (VRS). It is a condition of the VER scheme that persons availing of the scheme will not be eligible for re-employment in the public health sector or in the wider public service or in a body wholly or mainly funded from public moneys. The same prohibition on re-employment applies under the VRS, except that the prohibition is for a period of 7 years, after which time any re-employment will require the approval of the Minister for Public Expenditure and Reform. People who availed of either of these schemes are not eligible to compete in this competition.

Department of Environment, Community & Local Government (Circular Letter LG (P) 06/2013)

The department of Environment, Community & Local Government Circular Letter LG (P) 06/2013 introduced a Voluntary Redundancy Scheme for Local Authorities. In accordance with the terms of the Collective Agreement: "Redundancy Payments to Public Servants", dated 28 June 2012, as detailed above, it is a specific condition of that VER scheme that persons will not be eligible for re-employment in any Public Sector body, as defined by the Financial Emergency Measures in the Public Interest Acts 2009 – 2011 and the Public Service Pensions (Single Scheme and Other Provisions) Act 2012 for a period of 2 years from their date of departure under this Scheme. Thereafter, the consent of the Minister for Public Expenditure, Infrastructure, Public Service Reform and Digitalisation will be required prior to re-employment. Collective Agreement: Redundancy Payments to Public Servants

The Department of Public Expenditure, Infrastructure, Public Service Reform and Digitalisation letter dated 28th June 2012 to Personnel Officers introduced, with effect from 1st June 2012, a Collective Agreement which had been reached between the Department of Public Expenditure, Infrastructure, Public Service Reform and Digitalisation and the Public Services Committee of the ICTU in relation to ex-gratia Redundancy Payments to Public Servants. It is a condition of the Collective Agreement that persons availing of the agreement will not be eligible for re-employment in the public service by any public service body (as defined by the Financial Emergency Measures in the Public Interest Acts 2009 – 2011) for a period of 2 years from termination of the employment. Pension Accrual

The Public Service Pensions (Single Scheme and other Provisions) Act 2012 introduced a **40-year limit on total service** that can be counted towards pension where a person has been a member of more than one pre-existing public service pension scheme. This may have implications for any appointee who has acquired pension rights in a previous public service employment.

Pension Abatement

If the appointee has previously been employed in the Civil or Public Service and is in receipt of a pension from the Civil or Public Service or where a Civil/Public Service pension comes into payment during their re-employment that pension will be subject to **abatement** in accordance with the Public Service Pensions (Single Scheme and Other Provisions) Act 2012.

Please note: In applying for this position, you are acknowledging that you understand that the abatement provisions, where relevant, will apply. It is not envisaged that the employing body will support an application for an abatement waiver in respect of appointments to this position.

However, if the appointee was previously employed in the Civil or Public Service and awarded a pension under voluntary early retirement arrangements (other than the Incentivised Scheme of Early Retirement (ISER), the Department of Health Circular 7/2010 VER/VRS or the Department of Environment, Community & Local Government Circular letter LG(P) 06/2013, any of which renders a person ineligible for the competition) the entitlement to that pension will cease with effect from the date of reappointment. Special arrangements may, however be made for the reckoning of previous service given by the appointee for the purpose of any future superannuation award for which the appointee may be eligible.

Department of Education and Skills Early Retirement Scheme for Teachers Circular 102/2007

The Department of Education and Skills introduced an Early Retirement Scheme for Teachers. It is a condition of the Early Retirement Scheme that, with the exception of the situations set out in paragraphs 10.2 and 10.3 of the relevant circular documentation and with those exceptions only, if a teacher accepts early retirement under Strands 1, 2 or 3 of this scheme and is subsequently employed in any capacity in any area of the public sector, payment of pension to that person under the scheme will immediately cease. Pension payments will, however, be resumed on the ceasing of such employment or on the person's 60th birthday, whichever is the later, but on resumption, the pension will be based on the person's actual reckonable service as a teacher (i.e. the added years previously granted will not be taken into account in the calculation of the pension payment).

Ill-Health-Retirement

Please note that where an individual has retired from a Civil/Public Service body on the grounds of ill-health their pension from that employment may be subject to review in accordance with the rules of ill-health retirement within the pension scheme of that employment.

Candidates should note that canvassing will disqualify.

IMPORTANT NOTICE

The above represents the principal conditions of service and is not intended to be the comprehensive list of all terms and conditions of employment which will be set out in the employment contract to be agreed with the successful candidate(s).
