

BUSINESS DTV

Hollywood feeling in HD for your customers and guests.

Business DTV is a digital TV service supplied on UPC Business's own high-performance and highly available cable TV network, allowing you to view a wide number of digital TV channels including selected HD channels, via a compatible CPE end device.

With 150 digital television channels (96 of those in HD) and 115 radio stations with the best picture and sound quality, we offer a comprehensive entertainment package. The service also contains regional channel packages that are tailored to local needs (German-speaking Switzerland, French-speaking Switzerland, Ticino).

Depending on your needs, choose from either the convenient DigiCard or the attractive HD Mediabox and upgrade your TV experience with our first-class MySports Pro Business option.

A list of all HD channels and further information about our TV products are available at our website www.upc.ch

DigiCard

Thanks to the digital receiver card, you can enjoy full tele vision and radio reception on all TV sets with a CI+ slot after just a few installation steps and without any messy cables. Optionally, you can also subscribe to the unbeatable MySports Pro Business offer for your company and can also choose to combine this with a HD Mediabox Receiver.

HD Mediabox Receiver

The attractive, space- and energy-saving HD Mediabox Receiver is suitable for TV sets from all manufacturers and guarantees a razor-sharp picture as well as top sound quality.

Option: MySports Pro Business

A TV experience in a league of its own: 18 sports channels offer wall-to-wall live sports events, thus providing the best entertainment for all sports fans.

And you benefit even more: With a subscription to the MySports Pro Business option, the monthly fee for the Digi-Card or the HD Mediabox is included (the one-off fees are excluded).

Standard features
