1.0 SUMMARY

To make the journey for guests more intuitive when doubling back from the Terminal 1 (T1) International Departure Lounge (IDL), changes to gate numbering along the Southern Front (Gates 01, 16, 17, 18) has been identified as a wayfinding enhancement.

In addition, the Terminal 3 (T3) carousels are being reassigned as T1 assets. As a result, it is necessary to change the numbering of the T3 carousels, so that they do not conflict with existing T1 carousel numbers.
