

A42 JUNCTION 14 AND M1 JUNCTION 23A SURVEY WORKS

IN REF -	17/21	DATE OF ISSUE -	25 th August 2021
----------	-------	-----------------	------------------------------

A42 JUNCTION 14 AND M1 JUNCTION 23A SURVEY WORKS

Highways England will be carrying out survey work to upgrade the street lighting in the following locations:

- A42 from junction 14 to the A453 Finger Farm roundabout (Finger Farm roundabout is to the East of the site, access to Pegasus Business Park)
- M1 junction 23a exit / entry slip roads

When will the work take place?

The survey work is due to start on Monday **06 September 2021** and is scheduled for completion by Thursday **23 September 2021**. The work will be overnight **Monday to Friday between 8pm and 6am**.

Please note that all planned works are subject to change due to weather conditions or unforeseen circumstances.

How will the works affect traffic?

A mixture of lane and full carriageway closures, roundabout closures, and entry / exit slip closures will be in place in phases to maintain a safe environment for both the workforce and motorists,

Where roads are closed, a fully signed diversion route will be in place which have been agreed with the Local Authority.

All carriageways, roundabouts and slip roads will be fully operational outside of the published works hours.

Further information will be available at <http://www.highwaysengland.co.uk/> or by contacting the Customer Contact Centre:
