

A large group of approximately 40 employees of Gulliver posing for a group photo outdoors on a wooden deck. They are arranged in several rows, with some standing and some kneeling or sitting in the front. Many are wearing dark grey or black hoodies with the Gulliver logo or "INNOVATION" written on the sleeve. The background shows a clear blue sky and a large evergreen tree.

A person stands in silhouette on a dark, rocky hillside, looking up at a vast night sky. The Milky Way galaxy is visible as a bright, pinkish-white band of stars stretching diagonally across the frame. The sky is filled with countless stars, and the overall color palette is dominated by deep blues, purples, and oranges from the galaxy's light.

THANK YOU!
