Dear Lisa

I write on behalf of the Economic and International Affairs Scrutiny Panel, which is currently undertaking a review of the [Government Plan](#) 2021 – 2024. The Panel wrote to you during its review of the previous Government Plan, specifically in relation to several projects requiring additional expenditure as set out within [R.91/2019](#).

The Government of Jersey published a 6-month progress report which provided an update on each of the projects identified last year. The projects identified last year, and their current progress updates are as follows:

- Future Economic Partnerships: Goods and Borders Cluster **Deferred**
- Economic Framework and Productivity Support - **On track**
- Delivering the Digital Policy Framework - **Reduced**
- Digital Jersey Growth - **Reduced**
- Promoting Jersey - **Delayed**
- Rural Economy Strategy - **Reduced**
- Cyber Security Growth - **Reduced**
- Culture, Arts and Heritage - **Reduced**

A number of new projects which require additional expenditure in 2021 have been included within the Government Plan 2021 – 2024. Two of these are:

- **Covid-19 Co-Funded Payroll Scheme Phase III**  
2021 - £11.3 million

- **Economic Recovery**  
2021 - £15,500,000  
2022 - £12,000,000  
2023 - £12,000,000  
2024 - £0,000

The Panel would be grateful to receive the IoD's views on any of these projects and would like to invite you to make a written submission. The Panel would value any comments you might have and would be interested to know of any engagement you have had with the Department.

If possible, the Panel would like to receive your views by **Friday 30th October 2020**. The Panel has limited time in which to conduct its review, so if this timescale is likely to cause you difficulties, please do let me know. Please be aware that written submissions will generally be uploaded to the States Assembly website, however, we reserve the right not to release certain submissions into the public domain. If you would like the submission to remain confidential, please do let me know.

Best wishes  
Kellie
