

IoD Diploma in Company Direction

Back by popular demand, the IoD Diploma in Company Direction is being held again in person in Jersey.

Course Overview

The Diploma in Company Direction is a Masters level (SCQF) qualification and the second stage in our Chartered Director Programme, with a focus on developing your board performance. Three days of practical, simulated boardroom challenges in a safe environment will set you up for the diploma examination and have an immediate impact on your performance as a director. To read further, please click [here](#) for an in-depth overview.

Our Diploma in Company Direction is designed to build on the knowledge gained from the Certificate in Company Direction and boost your expertise and confidence as a director. Using the latest real-world scenarios and insights, the course encourages peer learning, challenge and reflective practice. Course content is designed by directors for directors.

To obtain the diploma, you'll need to complete the Developing Board Performance module and pass a three-hour exam, allowing you to move on to the final step of the Chartered Director Programme. We publish a standard exam question beforehand, which you'll need to answer in relation to a case study released on the day of the exam.
