FOR IMMEDIATE RELEASE

New committee members for IoD Jersey main committee

IoD Jersey is delighted to welcome Stephen Alexander and Geraldine Evans to the IoD Jersey Committee. Both Stephen and Geraldine attained Chartered Director status this year.

Stephen is a Partner, Advocate and Practice Leader of Mourant's Jersey Litigation practice. A Chartered Director and Trusts and Estate Practitioner, he specialises in contentious private wealth, commercial litigation and restructuring. He also serves on several industry committees, including the Law Society of Jersey Committee, and is INSOL Europe's Country Co-ordinator for the Channel Islands. Stephen is joining as Governance and Policy lead supporting the Chair, Alex Ruddy, in her interactions with Government and supporting the committee with legal and governance matters.

Geraldine is Co-Founder and Chief Operating Officer of Prosperity 24/7 and a Chartered Director. Passionate about technology and lifelong learning, she focuses on driving innovation, team growth and business strategy. She is a strong advocate for personal development to empower colleagues, clients and the wider community. Geraldine is taking on the role of Chair of the Student Subcommittee focusing on the Future Leaders' Scheme and the work emanating from the IoD White Paper in relation to digital skills.

Alex Ruddy, Chair of the IoD Jersey branch said "Stephen and Geraldine both bring outstanding expertise and fresh perspectives, and we're excited to have them on board. The IoD committee comprises senior professionals, four of whom are Chartered Directors, with others achieving Certificate and Diploma milestones or embarking on that journey. As volunteers we are committed to promoting good governance at business and government level. I am very grateful to the entire team for their passion, dedication and time commitment."

Notes to editors

IoD Jersey was founded in 1966 and has over 860 members from all sectors of the business community, both private and public sectors.

The local branch promotes the business sector and strives through lobbying to ensure that political decisions do not stifle local business and free enterprise.

The Institute of Directors (IoD) was founded in 1903 and obtained a Royal Charter in 1906. The IoD is a non-party political organisation with approximately 35,000 members in the United Kingdom and overseas. Membership includes directors from right across the business spectrum – from media to manufacturing, professional services to the public and voluntary sectors. Members include CEOs of large corporations as well as entrepreneurial directors of start-up companies.
