

School of Engineering Centennial Match

Frequently Asked Questions

What is the Centennial Match campaign?

Stanford Engineering's Centennial Match incentivizes consistent, annual support to launch the next century of engineering. Our goal is to deepen our community's connection to Stanford Engineering and inspire as many people as possible to give back and make pledges of support.

When is the Centennial Match campaign?

October 1, 2025, to December 31, 2025

Will there be a matching fund?

Yes! We have \$1M earmarked for a 1:1 matching fund thanks to a generous alumnus who passionately believes in the power of consistent, annual giving.

How does the match work?

- All gifts and multi-year pledges up to 5 years to the Stanford Engineering annual funds listed below will be matched during the match period up to \$5,000 per individual and \$10,000 per household.
 - The Engineering Fund
 - Aero and Astro Department
 - Bioengineering Department
 - Chemical Engineering Department
 - Civil and Environmental Engineering Department
 - Computer Science Department
 - Construction Engineering and Management Program
 - Electrical Engineering Department
 - Institute for Computational and Mathematical Engineering Fund
 - Management Science and Engineering Department
 - Materials Science and Engineering Department
 - Mechanical Engineering Department
 - Student Success and Engagement Fund
- **Pledge commitments** (up to five years) made by December 31, 2025, with final payments no later than

December 31, 2030, are eligible to be matched up to \$5,000 per individual and \$10,000 per household for every fiscal year a payment is made. For example, a 2-year pledge will be matched up to two times, a 5-year pledge will be matched up to five times.

- **One-time gifts** will be matched 1:1 up to \$5,000 per individual or \$10,000 per household.

How can donors make their gift?

Gifts will be accepted from the following channels:

- [Online: School of Engineering Centennial Match Giving Page](#)
- Over the phone via Development Services at (650) 725-4360

Other gift options will be accepted through December 31 or until match funds are exhausted:

- **Checks:** Checks should be made out to “Stanford University.” or “The Board of Trustees of the Leland Stanford Junior University.” Please include a note telling us how you’d like your gift to be used. Mail the check to:
Stanford University
P.O. Box 20466
Stanford, CA 94309-0466
- **DAFs:** Please include with the check a note indicating that the gift is to be directed to the Engineering Fund. If you are sending a gift through your donor-advised fund, please let us know that the gift is coming so that we can ensure that it gets correctly allocated. Contact Suzanne Morze at smorze@stanford.edu. Gifts from the DAF should be directed to:
Stanford University
P.O. Box 20466
Stanford, CA 94309-0466
- **Stocks and securities:** Donors must email stockgifts@stanford.edu with the gift details (number of shares, security description, ticker symbol, and designation) during the counting period.
- **Wire transfers:** Donors must email wire_transfers@lists.stanford.edu with the gift amount and designation during the counting period.
