

Stanford University Logo Origami

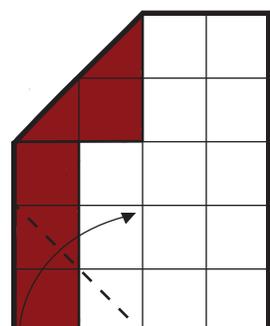

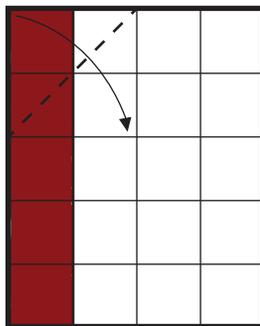

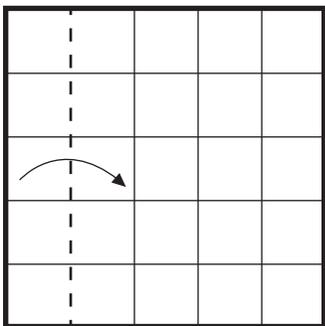

You'll need three pieces of single-sided paper: two red and one green. Note that the red paper should be $\frac{2}{3}$ the width and height of the green paper.

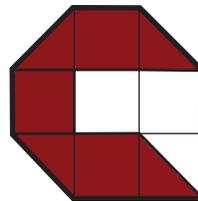

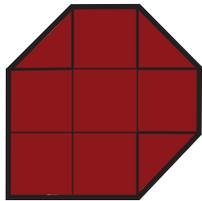

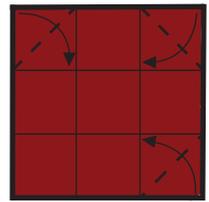

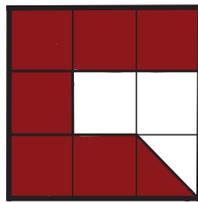

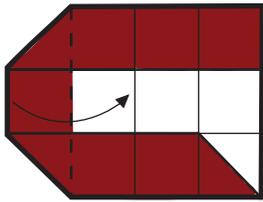

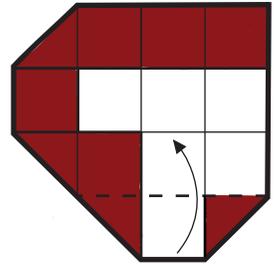

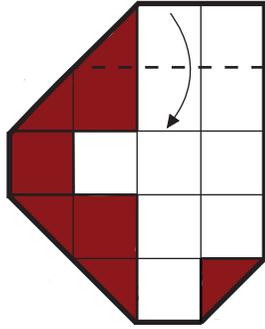

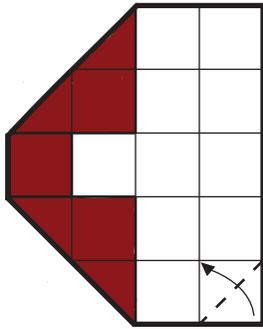

Start with the red paper.

A key for the symbols used and printable paper squares in Cardinal Red and Palo Alto green can be found at the back of these directions.

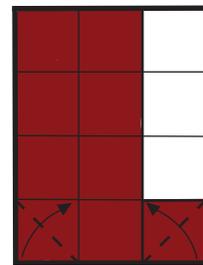

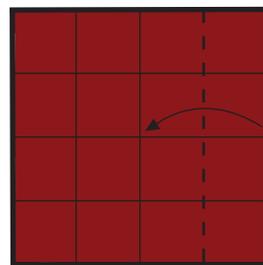

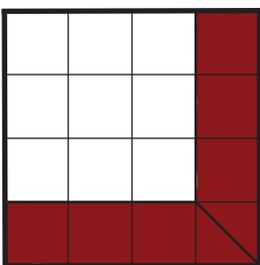

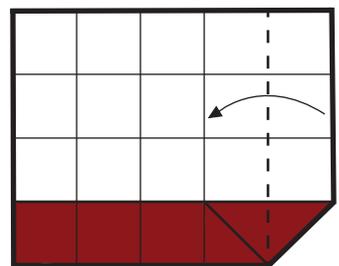

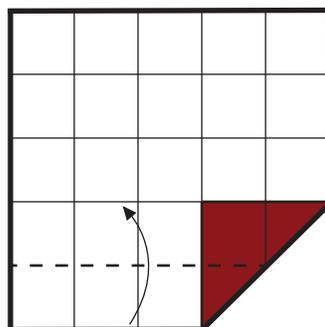

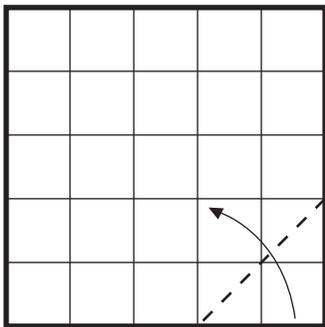

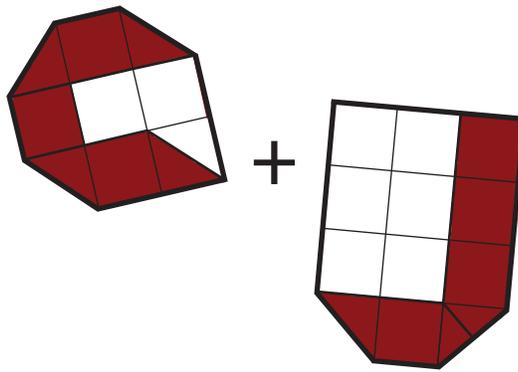

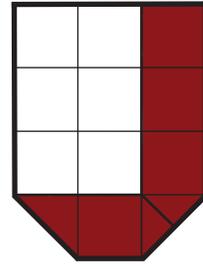

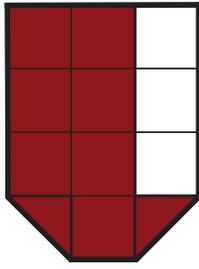

Repeat with second red paper

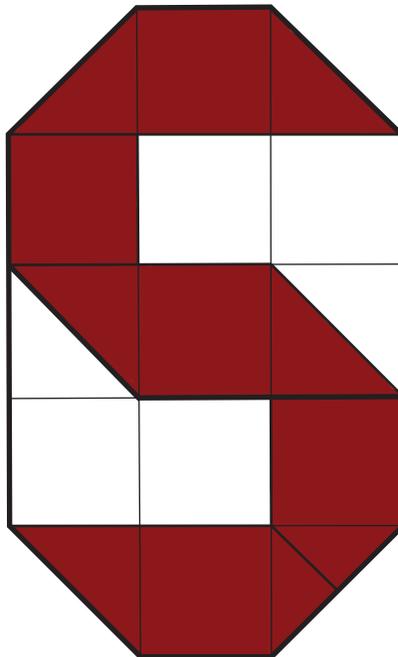

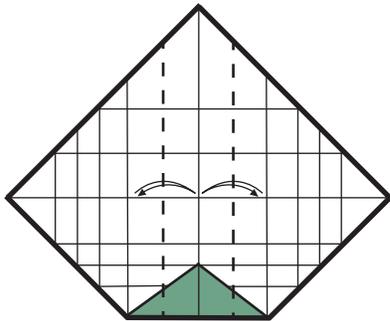

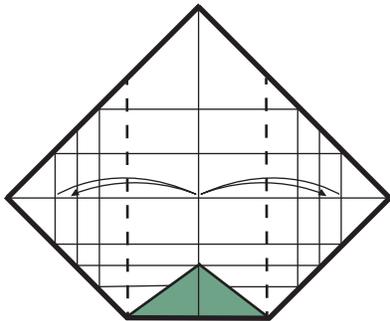

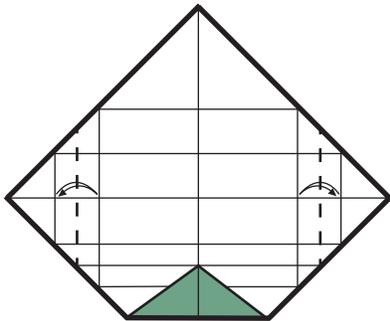

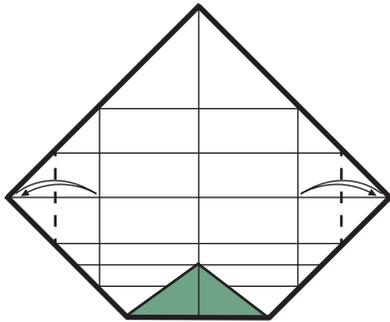

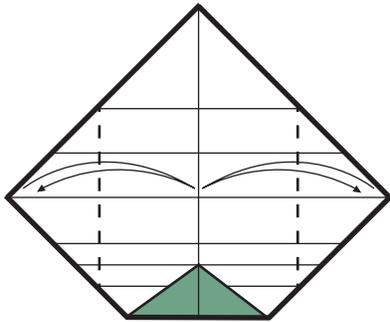

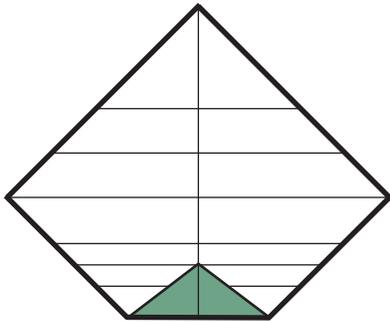

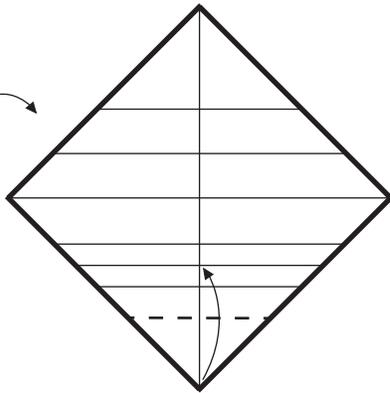

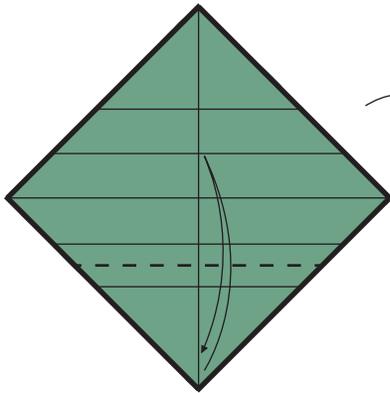

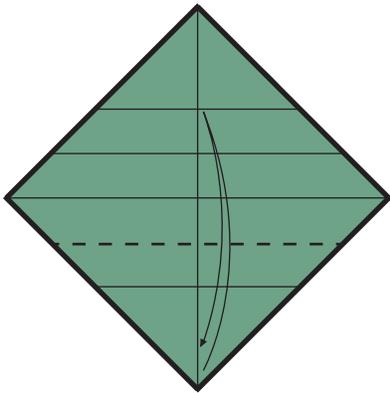

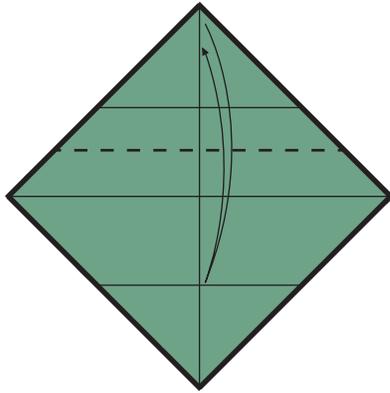

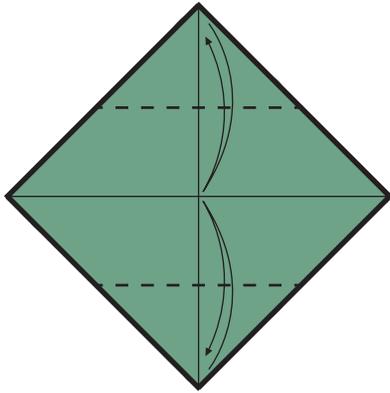

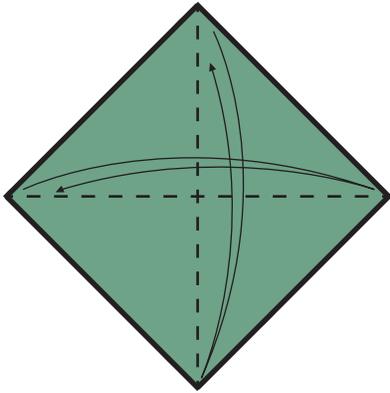

Set aside.

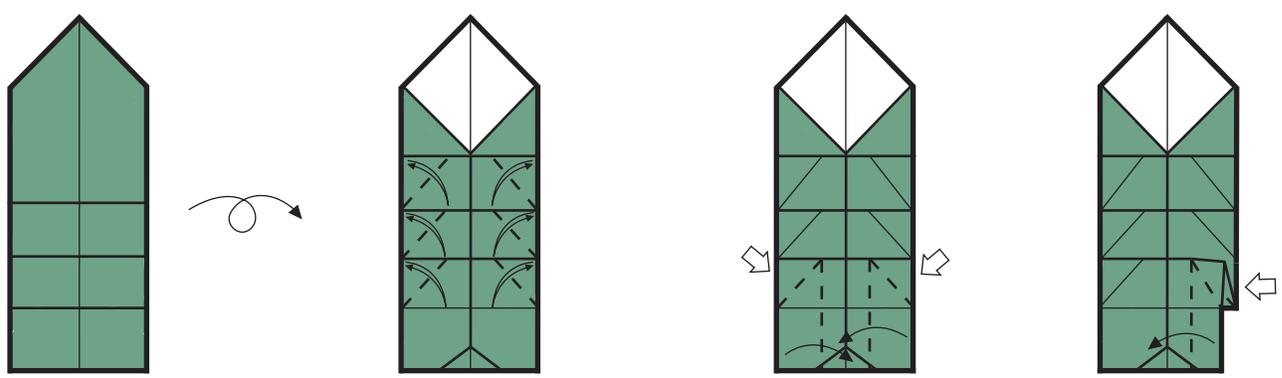

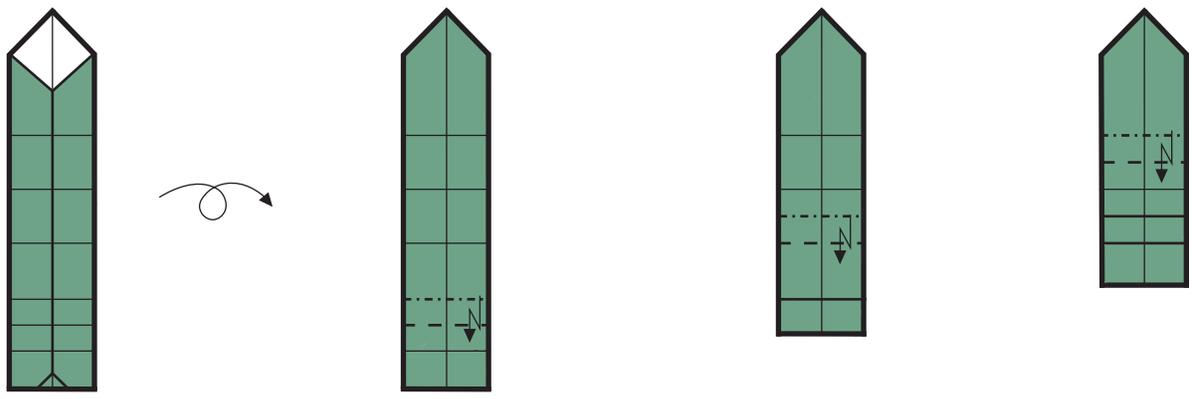

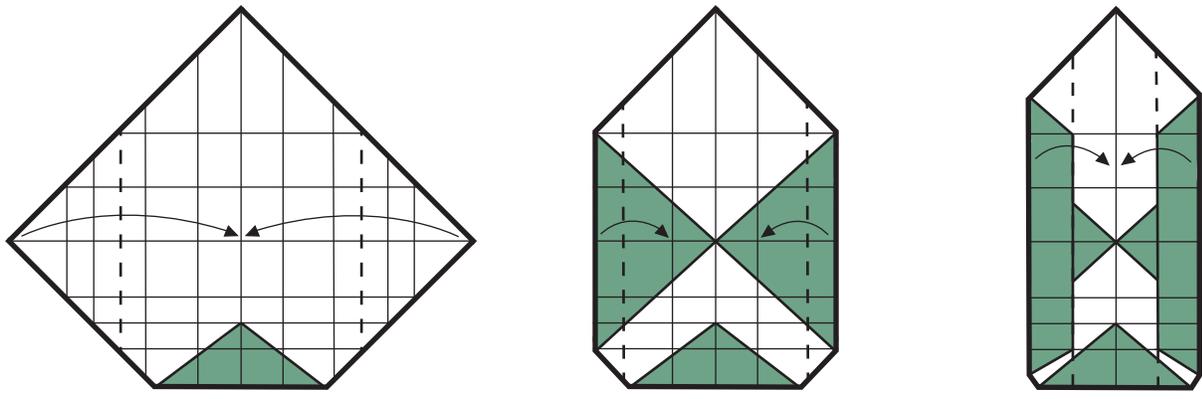

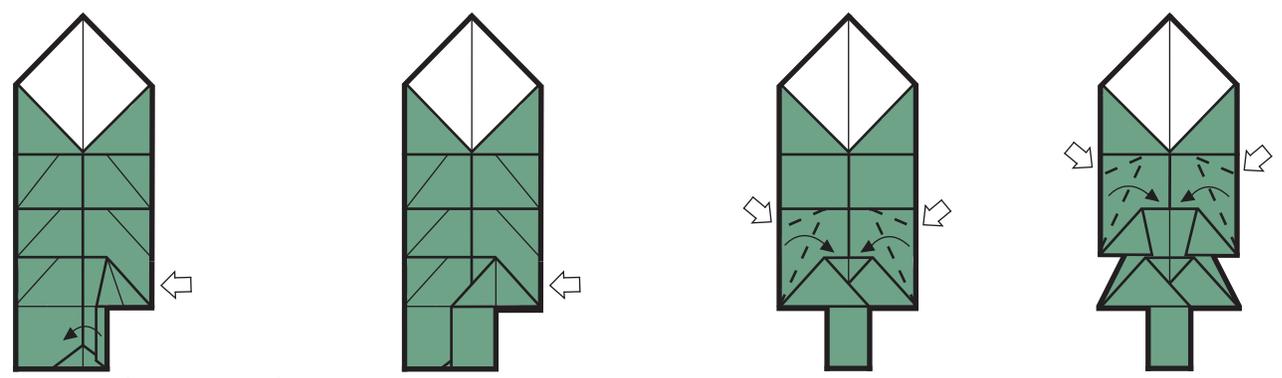

Combine with tape, glue, etc.

Open layers and push towards opposite direction

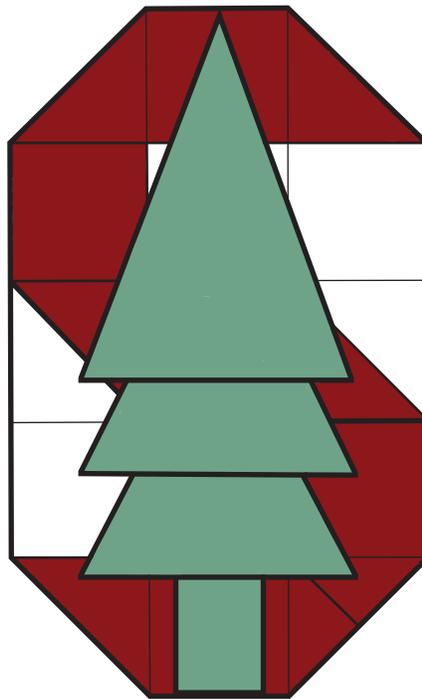

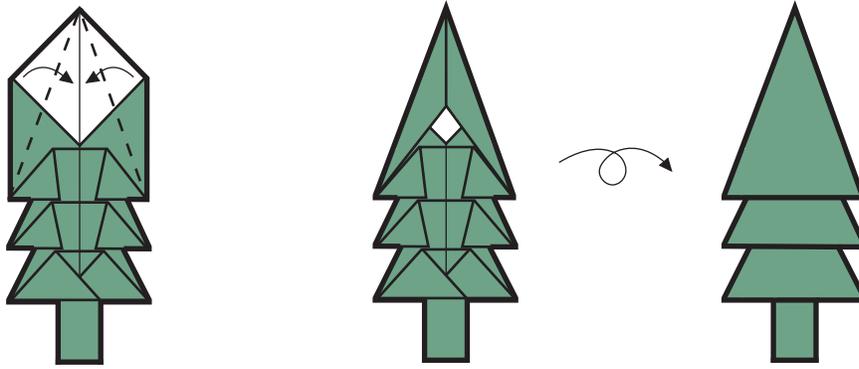

Push on opened corner and press down to create a triangle

Press flat and repeat on other side

The bottom folds will overlap

Stanford University

Attach with glue, tape. etc.

Origami Symbol Key

	Outside edge		Fold and unfold
