Senior Estimator

Job title	Senior Estimator
Department	Sales
Reports to	Sales Manager
Responsible for	Estimator

JOIN THE SERTUS TEAM

We're looking for an experienced, detail-oriented Senior Estimator to lead our estimating function and help deliver accurate, competitive quotations for our customers.

You'll oversee the enquiry-to-quote process, review drawings and specifications, prepare quotations and technical project packs, and manage and develop our estimating team. You'll also help improve processes and introduce smarter ways of working.

WHAT WE'RE LOOKING FOR

- Previous estimating experience and the ability to interpret technical drawings
- Strong numerical skills and attention to detail
- Experience leading or mentoring others, or readiness to take the next step
- A proactive approach to improving processes and meeting deadlines

INTERESTED IN JOINING SERTUS?

Construction or building services experience would be an advantage, but isn't essential.
