# Syllabus

The skills considered appropriate and acceptable to use with your Development Coach (DMT) Accreditation are listed below in Table 1. This is your syllabus.

It is important you familiarise yourself with your syllabus as it is your duty to ensure you only coach skills you are accredited for. There may be other skills that you are aware of that do not appear here; in this instance you are encouraged to use the information and guidance in the Syllabus Regulations and Activity Selection sections of your resource.

These skills can be developed in different gymnastics environments, using various training aids, gymnastics apparatus and surfaces, if these have been covered on the Development Coach (DMT) course and have been appropriately risk assessed. However, there are some regulations to be aware of, which appear in the Syllabus Regulations section.

**Setting up & Dismantling Rebound Apparatus**

As a DMT Development Coach you are accredited to supervise the safe setting up and dismantling of the following apparatus:

- Double-Mini Trampoline
- Trampoline
- Trampette

**Combinations**

All skills on the syllabus can be used as mount, spotter or dismount skills and can be used in combination or linked.

# Syllabus Regulations

You should take time to familiarise yourself with your syllabus, so you are aware of your boundaries. Table 2 clarifies any specific regulations you should be aware of. If you are unsure whether an activity is appropriate you should always check by asking a more senior coach or British Gymnastics.

**Table 2. Syllabus Regulations**

<b>Twisting jumps</b>
No twisting jumps past Triple.
<b>Side &amp; Gainer Somersaults</b>
Side somersault & Gainer skills are not skills recognised on the DMT Development Coach (Cycle 8) syllabus.
<b>Single Somersaults with Twist</b>
Up to Triple twist as per the skills syllabus.
<b>Double Somersaults with Twist</b>
Up to Half twist as per the skills syllabus.
<b>Training Aids</b>
You should only use the stated training aids to develop syllabus skills as per the guidance in your training and any policy or guidance documents. If a policy changes it is your responsibility to remain up to date and practice in line with these policies.
<b>Other gymnastics equipment &amp; apparatus</b>
In addition to the coaching and training aids you have been specifically trained in, you can use any additional certified and risk assessed gymnastics apparatus such as coaching blocks, tables, and hanging apparatus such as wall bars for physical and technical preparation towards syllabus skills, movements, or activities e.g., landing practice.
