She made BRIT Award history in 2018 as the first female artist to pick up five nominations, with two wins for British Breakthrough Act and British Female Solo Artist. She then went on to receive two Grammy awards for Best New Artist and Best Dance Recording for "Electricity," her collaboration with Silk City the following year. At the end of 2019, Dua performed her Number 1 global hit single 'Don't Start Now' at the MTV EMAs, ARIAs and AMA's in the lead up to the release of her latest album, *Future Nostalgia*. Her sophomore record was released in March 2020 and surpassed 294 million streams in its first week and has now exceeded 6 billion streams across all of its tracks. *Future Nostalgia* has been nominated for 6 Grammy Awards including Album of the Year & Best Pop Vocal and also holds the record for the most streamed album in a single day by any British female artist.
