Subject posters 	Visit: amapps/army-posters and download and display the posters around your school/college and in the relevant subject departments.				✓	✓		✓

Throughout the autumn term there are key campaigns that you may already celebrate in your school or college. The table below highlights where the British Army have relevant resources/content that could help you in your planning.

Campaign	Resource	Link
Emergency Services Day 9th September 	Share Kieran's case study with students so they can find out about his level 3 apprenticeship in Defence Knowledge of Policing. 	britisharmy.my/KieransApprenticeshipStory 
Black History Month October B:M2026 DIG DEEPER, LOOK CLOSER, THINK BIGGER	Use the BASE Black History Month assembly and lesson resources to share with students the contributions of Black British, African and Caribbean service personnel throughout the history of the British Army. 	britisharmy.my/BlackHistoryMonthResource 
Tomorrow's Engineers Week 9th - 13th November 	Use the BASE STEM Challenges resources. These six challenges ask students to apply STEM knowledge to a range of Army training scenarios and tasks. 	britisharmy.my/StemChallengesResource 
World Science Day 10th November 	Use the BASE Science resources to open students' eyes to science in real-world scenarios: - KS3 Biology/GCSE PE: Peak Performance lesson resource - KS3 Chemistry: Is it safe to drink? - KS3 Physics: Stop or drop 	britisharmy.my/ScienceResources 
Geography Awareness Week 16th - 20th November 	Use the BASE 'Applying Geographical Skills' resources. This pair of lessons review key geographic skills and apply them to a real-world context, allowing students to experience the role of an Army Geographic Technician. 	britisharmy.my/GeographyResource 

The British Army also host a variety of awareness events both online and in-person, and can support in delivering careers activities in schools and colleges. Below are some of the confirmed events taking place next term.

Location	Date	Title	Audience	Description	Link
In-person	Arranged by you and the Army	Elite Skills Academy workshop	Students aged 14-18 (years 9-13)	The Elite Skills Academy is an engaging, hands-on workshop designed to build essential skills such as teamwork, communication, leadership, and resilience. Delivered by experienced members of the Army Outreach Team, students take part in dynamic challenges that mirror real life scenarios and help develop key mental and physical attributes.	britishar.my/ArrangeYourWorkshop 
Online	17 th September 6pm - 7pm	British Army Insights: Parent Voices	Parents and carers	Join this webinar to hear firsthand experiences from parents and carers whose children have joined the Army, learn about the wide range of opportunities available, and have your key questions answered.	britishar.my/BritishArmyInsightParentVoices 
Online	22 nd September 6pm - 7pm	Breaking Down the Army Assessment	Students, parents, carers, teachers and supporters	Preparing for the Army Assessment Centre can feel daunting – but it doesn't have to be. Join our free online event where we break down the Army Assessment Centre step by step, explain what really happens on the day, and show you how to prepare with confidence.	britishar.my/BreakingDowntheArmyAssessment
