HAVE YOU THOUGHT ABOUT JOINING THE ROYAL LOGISTIC CORPS

SUPPLY CHAIN OPERATOR

You will play a vital role in the logistical support required by the Army. Food, weapons, equipment – the Army needs all kinds of supplies, all the time. It's your job to track, store and distribute stock - delivering everything needed on operations.

CHEF

Even the best locations and adventures would be meaningless without outstanding food services supporting our soldiers. You could be a part of the team whose role is a lot more than just food.

DRIVER COMMS SPECIALIST

Being a Driver Communications Specialist is all about teamwork, purpose and pride. As Driver Communications Specialists, you'll be trained to use radio and digital communications systems.

ROLE COMPARISON POSTERS

Amazing Apprenticeships

Help students explore and compare different apprenticeship roles in the British Army with four new role comparison charts in partnership with Amazing Apprenticeships.

Designed to support career exploration, each chart highlights how two seemingly different roles can require similar skills, compares key responsibilities and progression opportunities, and helps students identify roles that match their strengths and interests.
