

ARMY WORK EXPERIENCE

SPEND A WEEK WITH THE ARMY

CURIOS ABOUT ARMY LIFE?

Join us for a four-day experience where students will get a real taste of what it's like to be a soldier. They will meet trained soldiers from different roles, hear their stories, and get answers to their questions about Army careers.

WHAT STUDENTS WILL BE DOING

Work with experienced soldiers

Learn from the people who've been there and done it.

Overnight camp

Spend a night camping with their team, experiencing life outdoors together.

Meet like-minded people

Connect with others who are also exploring Army life.

Indoor shooting range

Test their aim in a safe, controlled environment.

Take on team challenges

Learn how to overcome obstacles together — just like soldiers do.

Drills

March like a pro with guidance from trained Foot Guards.

Field craft

Learn the basics of soldiering through practical, hands-on experience.

Please note: Places on Work Experience courses are limited and run on fixed dates throughout the year. Students must be aged between 14 and 18 to attend, and a maximum of 10 students can be accepted from any one establishment.
