Title	Kunststoffe	Organ	Deutsche Kunststoff-Fachverbände
Characteristics:	Kunststoffe informs about current technical developments and trends in the plastics industry. Exclusive insider reports are the hallmark of Kunststoffe and make the magazine a trend-setting source of information. The high level of expertise ensures that Kunststoffe has by far the highest paid circulation within the German plastics press. Kunststoffe is published by Carl Hanser Verlag and, in addition to daily updates, offers a newsletter and access to all articles from recent years at www.kunststoffe.de.	Membership/ Participation	VDI-FB Kunststofftechnik in der VDI-GME
Target group	The target group of Kunststoffe consists mainly of recipients in the plastics processing industry (incl. own application).	Publisher	Carl Hanser Verlag GmbH & Co. KG Postal address: P.O. Box 860420, 81631 München Home address: Kolbergerstr. 22, 81679 München Tel.: +49 89 99830-0 · Fax: +49 89 984809 www.hanser.de · info@hanser.de
Publication frequency	monthly: 12 x year	Mediasales	Jeanette Rober (Senior Sales Manager) Tel.: +49 89 99830-301 jeanette.rober@hanser.de Sandra Strohmaier (Sales Manager) Tel.: +49 89 99830-675 sandra.strohmaier@hanser.de Tabea Köster-Urban (Sales Manager) Tel.: +49 89 99830-677 tabea.koester@hanser.de Romy Früh (Ad Management) Tel.: +49 89 99830-218 romy.frueh@hanser.de

Your Advertising Medium for all English Speaking Top Executives Worldwide!

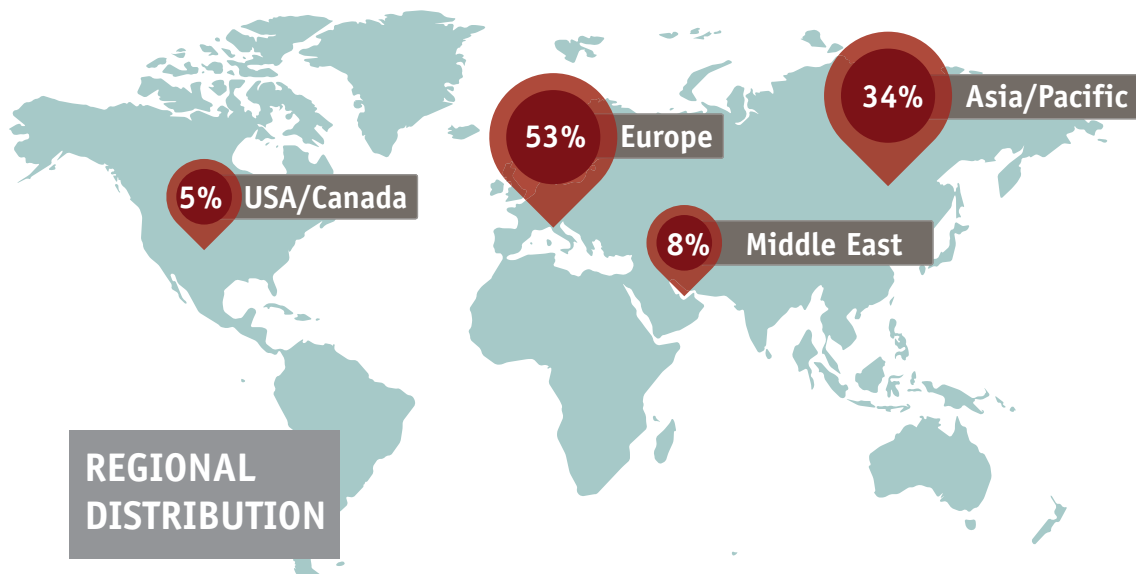

Kunststoffe international has been published as the English edition of **Kunststoffe** since 2007.

With topical articles from **Kunststoffe**, **Kunststoffe international** competently provides information in English on technical developments and industry trends. One trademark: the exclusive insider reports – they form the profile of the magazine as a trend-setting information carrier for the increasingly global performing plastics processors.

Kunststoffe international is published by Carl Hanser Verlag and is complemented by a website with extensive offers in English at www.kunststoffe-international.com

Target Group Top Executives

Kunststoffe international is distributed to more than 1,600 highly reputed top executives in the plastics industry worldwide. It is also distributed at important major trade fairs.

Web address

www.kunststoffe.de

Brief characteristics

Kunststoffe.de is the comprehensive business website for everything to do with the processing of plastics.

Kunststoffe.de contains detailed information about:

- Sophisticated, specialized information about plastics from the magazine Kunststoffe and the Hanser range of reference books
- Current new and important dates
- Current product developments, patents and technical trends
- Exhibition-news Fakuma 2023
- The big job market of the industry
- The big company database »business directory«

Target group

The website is aimed at specialists and managers in the plastics processing industry, together with scientists and students and all those engaged in production operations and the provision of services associated with plastics.

The usage data and recipient numbers are constantly changing.
Request the current numbers:
romy.frueh@hanser.de

Delivery address Please send the advertising material for your campaign to:
media@hanser.de

Delivery 5 days before campaign start

File formats JPG, PNG, GIF oder HTML5*

Data volume 150 KB max. per creative, for Mobile Ads 80 KB max.
Example Hockey Stick: Leaderboard 150 KB +
Wide Skyscraper 150 KB = total 300 KB

Meta-information We require the necessary meta-information upon delivery:

- Customer name
- Campaign time frame
- Advertising format
- Contact for inquiries
- Click-URL

For the technical specifications, please refer to our media center: **www.hanser-mediacyenter.de/guidelines-und-technische-spezifikationen/guidelines-english**

Note: A processing fee of 50.-- Euro applies for the delivery of physical HTML5 advertising media (hosting on our ad webserver).

Online retargeting campaigns

In these days of information overload it becomes increasingly difficult for your potential customers to keep your brands and offers in their minds.

With the **online intensive campaigns** we increase your gross contacts to your potential customers and take care that they remember you distinctly through gentle advertising pressure.

The **online intensive campaigns** will play back your advertising on **www.kunststoffe.de** and also everywhere on the Internet. This works because of our far branched partner network.

Which package is right for your display advertising campaign?

Package 1	50,000 Ad Impressions	€ 2,500.--* plus VAT
Package 2	100,000 Ad Impressions	€ 4,500.--* plus VAT
Package 3	250,000 Ad Impressions	€ 7,500.--* plus VAT

It works like this:

We flag up the visitors to our portal with a cookie – as potential customers for you. Of course, in compliance with the GDPR.

We rediscover the previously flagged visitors everywhere in our far branched partner network.

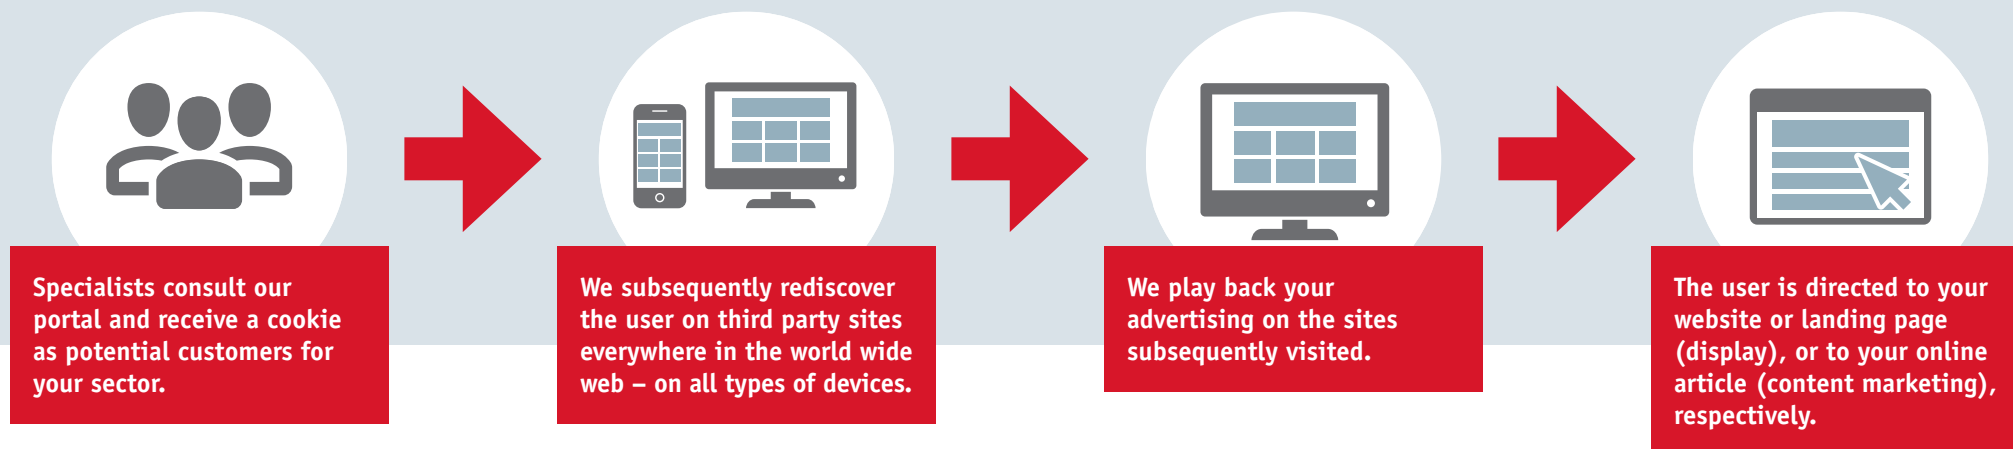

We play back to the previously flagged visitors your online advertising in all formats and in real time.

Increased reach for your content marketing campaign:

Package 1	100 Reader	€ 590.-- plus VAT
Package 2	250 Reader	€ 1,325.-- plus VAT
Package 3	500 Reader	€ 2,550.-- plus VAT

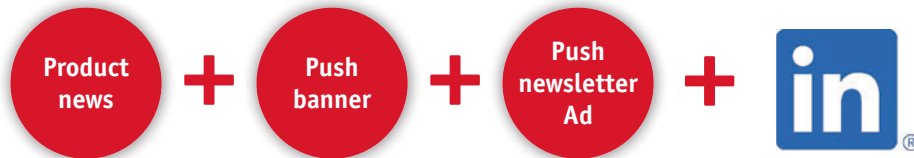

*In addition to your booked online-advertising on **www.kunststoffe.de**

Take one!

Highlight your presence with a professional trade fair video

Video marketing is currently considered one of the most successful advertising formats on the Internet!

With a professional trade fair video, you capture the moments that a visitor might miss on a sold-out trade fair site. Present your product innovations and highlights or give potential customers an insight into the machine or functionality of your hardware/new technology in an attractive setting even afterwards.

Service package at Fakuma 2023:

- 1 hour shooting on the Fakuma 2023
- Professional post-production and cutting of the video directly at the fair
- Release on site
- 1 year broadcast of the film on Kunststoffe.de or Kunststoffe-international.com. Announcement with picture and text
- Full rights of use for the client for further use
- Several video shoots possible on site. Price upon request

Bundle price at Fakuma 2023: € 4,200.–

Video shooting during the year:

We can create your image/product film for as little as € 4,200.
The actual costs depend on the concept and effort, such as shooting time, number of people, film technology use, number of shooting days, variety of locations, amount of film editing, number of interviews, etc.

Advantages:

- The video is available within 24 hours
- The quality of the video clearly stands out from simple smartphone recordings
- Presented on a monitor at the booth, the video acts as an eye-catcher and invites visitors to stay a while
- Long visibility through embedding on Kunststoffe.de or Kunststoffe-international.com
- The video can be integrated as a trade fair/company video on your own homepage
- High reach through integration in your social media channels on LinkedIn, Instagram & more
