of which abroad	138
<b>+ E-Paper (multi access)</b>	<b>5.884</b>
<b>Total circulation</b>	<b>15.404</b>

## Content analysis of the editorial section 2024

On request

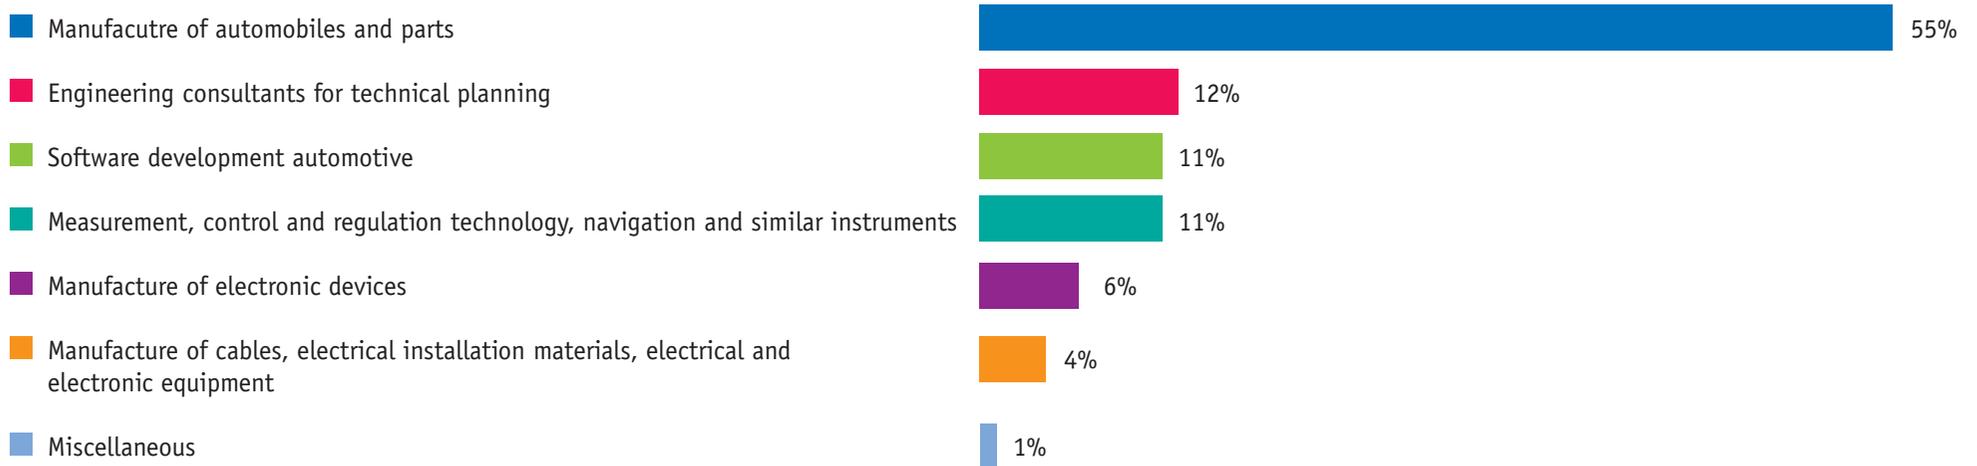

## Volume analysis 2024

Overall	336 page = 100%
Editorial section	252 page = 75%
Advertisement section	195 page = 58%
of which Publisher's ads	84 page = 25%

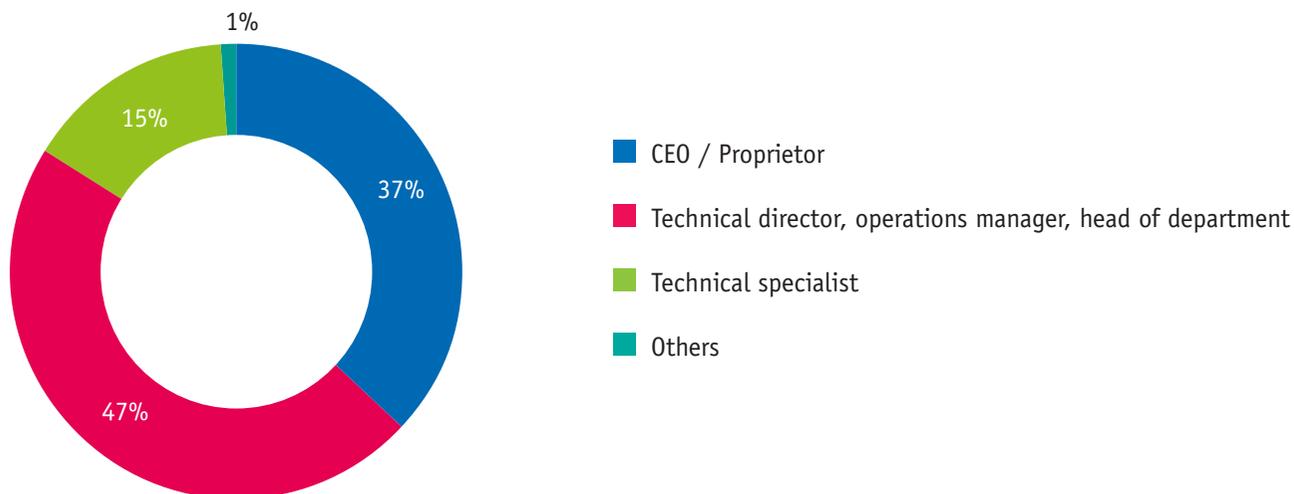

## Recipients analysis by branches of industry – focus on automotive and the relevant suppliers industry\*

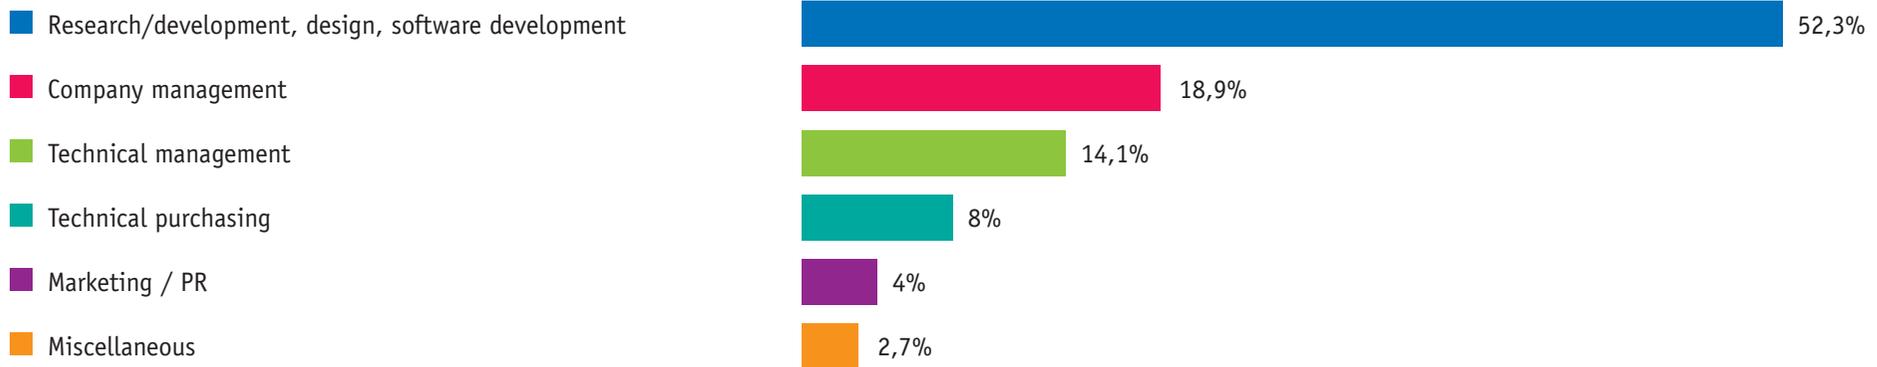

## Recipients analysis by position: 84% are employed in an executive position\*

\*Annual average of print editions (01.07.24 to 30.06.25); survey method: file evaluation

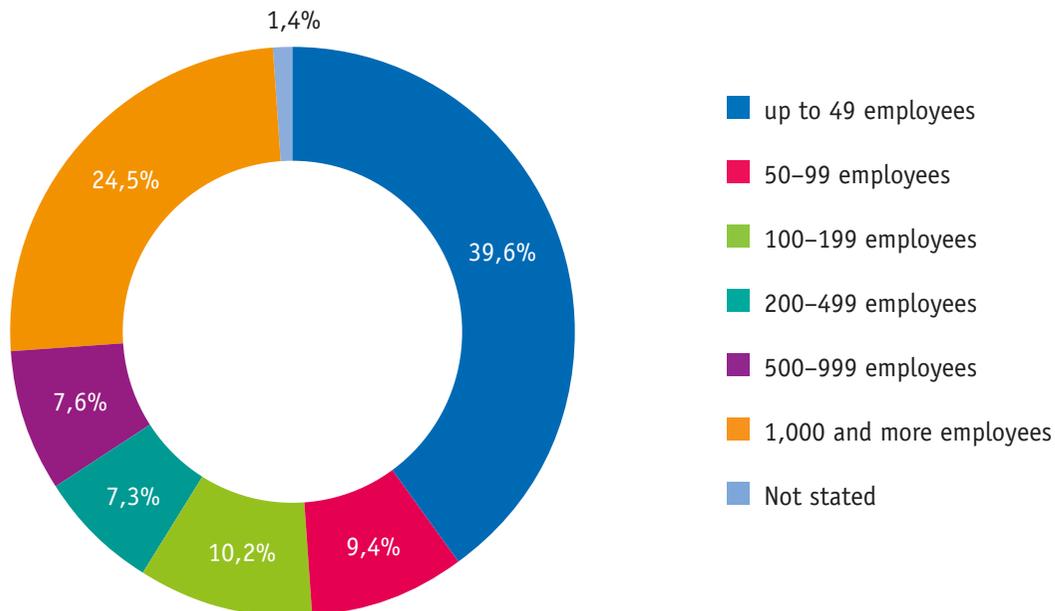

## Recipients analysis by function: development and design engineers, and technical decision makers read HANSER automotive\*

\* Annual average of print editions (01.07.24 to 30.06.25);  
survey method: file evaluation

## Recipients analysis by number of employees: HANSER automotive is read in companies of all sizes\*

### Summary of the survey methodology:

1. Method: Dissemination analysis through file evaluation
2. Population: DCP 9.522 = 100 %
3. Sample: full census
4. The target of the investigation: deleted
5. Period of the study: August 2025
6. Execution of the study: Publisher

**HANSER automotive - the expert platform for automotive development engineers**

**Measurement, Testing, Diagnostics**

Vehicle Diagnostic Protocols (UDS, OBD, DoIP) • Test Automation & Continuous Testing • Hardware-in-the-Loop (HiL), Software-in-the-Loop (SiL), Model-in-the-Loop (MiL) • Virtual Validation & Digital Twin • Scenario-Based Validation (ADAS/AD) • Data Logging & Analytics Platforms • Sensor and Actuator Testing • Remote Diagnostics & OTA Test Strategies • Test Data Management & Simulation Libraries

**automotive GUIDE**

Reaching the readers of all issues throughout the year with your product portfolio – at minimal budgetary cost. Featured in the e-paper and digital editions, including an active, valuable backlink to your website.

8 issues (6 x print/digital plus 2 x digital)  
Format: 57 x 77 mm (W x H)  
Billed with the first insertion: € 1,100.--

**NEW:  
Multimedia-Add-on**

Multimedia extension to your print advertisement. In the e-paper, your ad appears with a video, podcast, or image gallery for 24 months. € 390,-

## OEM SUPPLIER

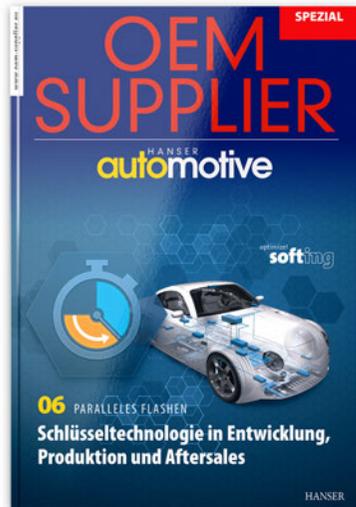

Special edition for the entire automotive industry

**Target Group** Technical decision makers, engineers, purchase, and manufacturing experts working in the automotive as well as the suppliers' industry.

**Editorial Content** Facts, and information about product originating processes in the automotive industry, that means research & development, trends & technologies, manufacturing & logistics, new components & systems.

**Circulation** 7,500 copies  
direct shippings and distribution at relevant exhibitions

**Contact**  
Susanne Maier | Tel.: +49 99830 649 | susanne.maier@hanser.de

**Date of publication** 09.07.2026  
**Editorial deadline** 30.07.2026  
**Advertisement deadline** 26.08.2026

All rates are subject to Value Added Tax

## MOBILE AUTOMATION

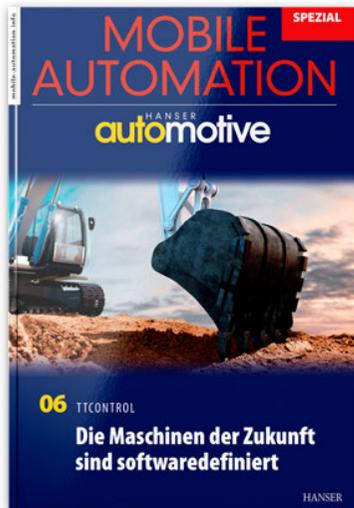

Special edition for the industry manufacturing mobile working machines and off-highway vehicles

**Target Group** Technical decision-makers, developers, design engineers, and purchasers at manufacturers of mobile machinery (e.g. agricultural, forestry, construction, and special-purpose vehicles), as well as their suppliers and engineering companies.

**Editorial Content** Components, systems, and automation technology for mobile machinery: electrical/electronic components, sensors and actuators, control and regulation systems, measurement and testing technology, engineering, image processing, telematics, and communication systems in the mobile environment.

**Circulation** 7.500 copies  
direct shippings and distribution at relevant exhibitions

**Contact**  
Susanne Maier | Tel.: +49 99830 649 | susanne.maier@hanser.de

**Date of Publication** 27.08.2026  
**Editorial deadline** 17.09.2026  
**Advertisement deadline** 14.10.2026

## automotive guide

Reach the readers of an entire year – in the section of your choice

Reach the readers of all issues throughout the year with your product portfolio. In the e-paper and digital editions, including a valuable backlink to your website.

<b>Format</b>	57 x 77 mm (w x h)
<b>Price:</b>	€ 1,100.-- for 8 issues (6 x Print/Digital + 2 x Digital)
<b>Rubrics</b>	Elements / components • Assemblies • Lighting systems • Diagnosis • Services • Displays/HMI • Electro mechanics • eMobility • Development services • Development tools • Functional safety • Measurement • Mobile services • Inspection and test facilities • Sensors • Software • ECU • Power supply • Telematics

The unbeatable duo.  
Print & digital –  
easy to be found!  
Combinaton  
€ 1,380.--

## Premium Company Entry

Prominent in the company data base »Who offers what?«

<b>Company presentation</b>	Detailed company profile with logo, images, video
<b>From the article to premium entry and back</b>	All editorial print and online articles about your company – from technical articles and news to product announcements and events – are linked to your premium entry. In this way, users find your company via the content or vice versa.
<b>Direct contact</b>	Adress, website and e-mail information facilitate getting in contact with your company for users.
<b>Runtime</b>	12 months
<b>Invoicing</b>	yearly in advance
<b>Price</b>	€ 480.-- / year

## We tailor customized trade fair packages for you:

<b>Magazine format</b>	DIN A4; 210 x 297 mm (Width x Height)
<b>Type area</b>	175 x 250 mm (Width x Height) 4 columns à 40 mm Width
<b>Printing and binding methods</b>	Offset printing, saddle stitching
<b>Data formats</b>	<b>Preferred file format: High-end PDF – PDF/X4 or PDF/X5;</b> with embedded fonts, images, etc. For advertisements with bleed, please allow 3 mm bleed on each side.
<b>Colour</b>	Print to ISO 12647--2 PS0; ISOcoated_V2; Fogra39L Special colour (z.B. HKS, Pantone) possible on request. Please observe the print growth rates specified in ISO12647--2 for image printing paper.
<b>Data archiving</b>	All print documents will be kept for a maximum of 3 months after order processing.

**Warranty** The service providers working for us can only process what is stored in the files supplied. In case of delivery of incomplete, faulty or deviating data, we assume no liability for the print result, e.g. colours, illustrations, texts, fonts.

**Terms of payment** General payment term 30 days after invoice date net.  
2% discount for payments within 8 days of the invoice date.

**Bank details** Postbank München

**URL**

[www.hanser-automotive.de](http://www.hanser-automotive.de)

**Short Description**

**hanser-automotive.de is the specialist portal for automotive electronics and mobility innovation.** It complements the print magazine with targeted content for technical decision-makers:

- Editorial depth: Articles, interviews, and analyses covering electronics, software, safety & security, connectivity, e-mobility, diagnostic tools, and more
- Practice-oriented focus: Content for technical managers and decision-makers in development, testing, and application – complemented by management and strategy perspectives
- Company and product database (“Who offers what?”): Including key technical features, contact details, and links
- Up-to-date industry and product news, supplemented by listings of trade fairs, congresses, and specialist events
- White papers and download offers as a basis for lead generation
- Extensive archive of print issues, including special editions

**Target Group**

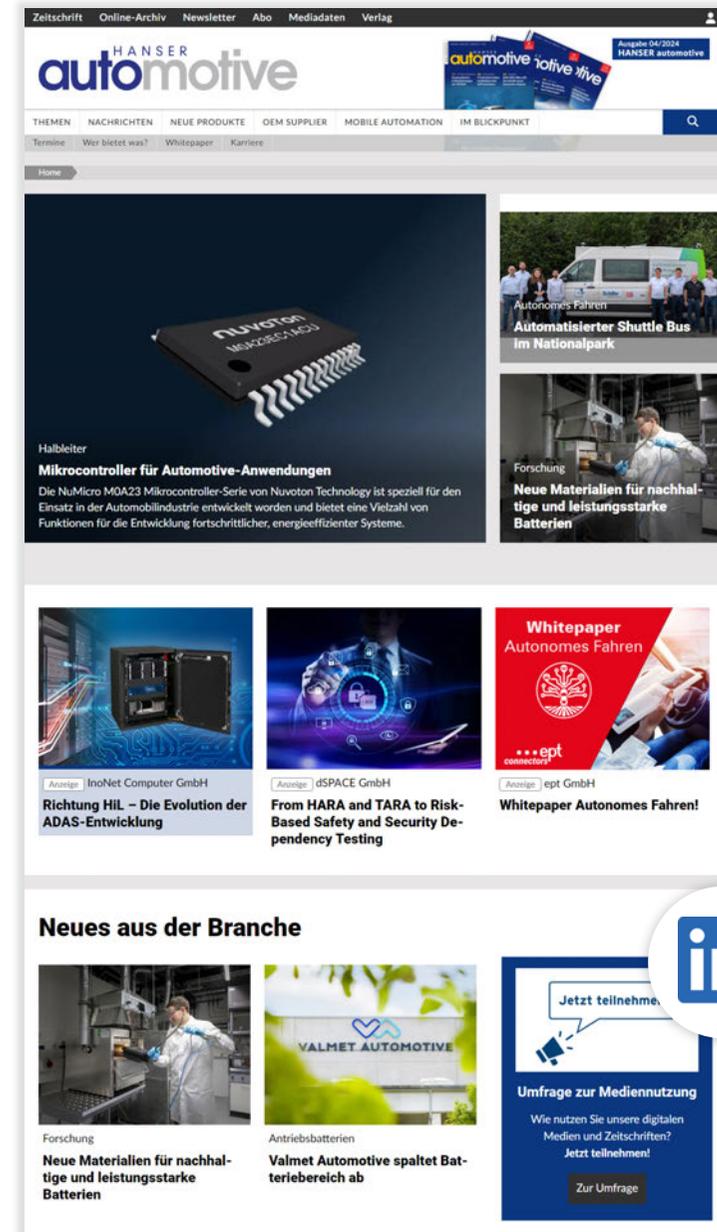

The portal is aimed at decision-makers, software and development engineers, design and application engineers, as well as project managers from the automotive and supplier industry.

**Your Benefit**

Quick and measurable contact to your target group

**KPI**

Please request the current key performance indicators for website and newsletters. Contact information can be found on the last page of the media kit.

## Retargeting

**Explanation in the video:** [www.hanser-mediacycenter.de/fachportale/retargeting](http://www.hanser-mediacycenter.de/fachportale/retargeting)

With retargeting, readers of [hanser-automotive.de](http://hanser-automotive.de) are addressed with targeted banners on their further path through the web. Your banners are thus delivered on our experts portal and in our extensive network of around **10,000 partner sites**.

Users who have already shown interest in products and services on [hanser-automotive.de](http://hanser-automotive.de) are addressed. As a result, you achieve a high reach with retargeting and increase your chance of conversion.

Since many users surf on mobile devices, we use mobile ads in addition to desktop formats for retargeting. Your campaign will be delivered on all common devices.

### Which package is right for you?

<b>Package 1</b>	50,000 Ad Impressions	€ 2,500.--*
<b>Package 2</b>	100,000 Ad Impressions	€ 4,500.--*
<b>Package 3</b>	250,000 Ad Impressions	€ 7,500.--*

## It works like this

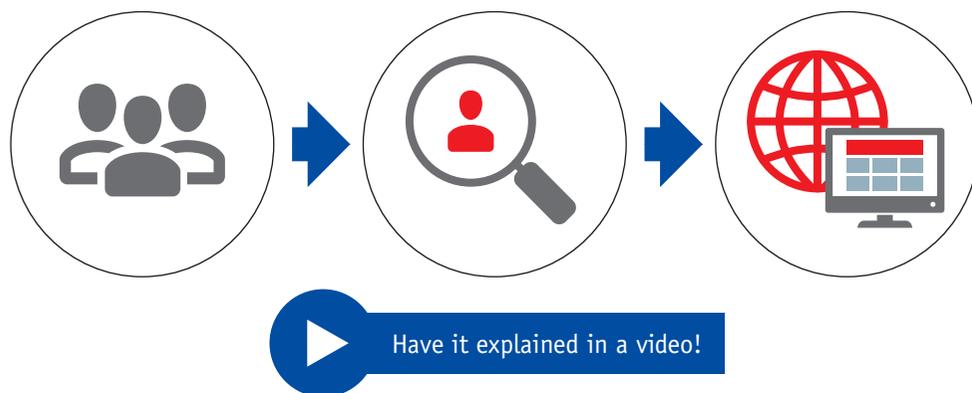

\*In addition to your booked online-advertising on our website and VAT.

## Account Based Marketing

National and international banner campaigns exclusively for your desired customers

Reach your target customers within our international advertising network. Your display ads will only be delivered to the employees of the companies you specify, which **reduces scattering loss to a minimum**.

Thanks to different banner formats, global delivery takes place on all devices, from smartphones and tablets to desktops. The reach or number of achievable ad impressions depends primarily on the number of your target customers. You will get a forecast as to what performance you can expect.

At the end of the campaign, you will receive a report with the exact ad impressions, clicks and click-through rate achieved for each of your target customer. So, you know which companies should be contacted directly by your sales department, or who your marketing department should first provide with further information.

<b>Price / CPM</b>	<b>€ 69.--</b>
<b>Minimum order</b>	<b>50,000 Ad Impressions</b>

All rates are subject to Value Added Tax

## Trade Fair Targeting

Targeted visitor promotion at and during your key trade shows

Your banners are delivered to the visitors of a trade fair as soon as they visit a website of our **far-reaching advertising network**. The visitors are identified by geodata and the trade fair WLAN. The targeting zone includes the trade show site as well as a certain radius in which there are conference buildings, train stations, and hotels used by the trade show visitors.

During the trade fair, we primarily deliver your ads on the mobile devices of the **trade fair visitors within the geo targeting zone** and thus advertise your trade fair stand. The reach or number of achievable ad impressions primarily depends on the size of the trade fair, and the expected number of visitors respectively. You will get a forecast as to what performance you can expect.

On your demand, your trade fair advertising can also run before the exhibition period on our website and/or in our international advertising network.

<b>Price / CPM</b>	<b>€ 69.--</b>
<b>Minimum order</b>	<b>50,000 Ad Impressions</b>

## Credibility in Social Media

### Post on LinkedIn

We post your content marketing article on our LinkedIn profile. You gain credibility and increase your social media reach.

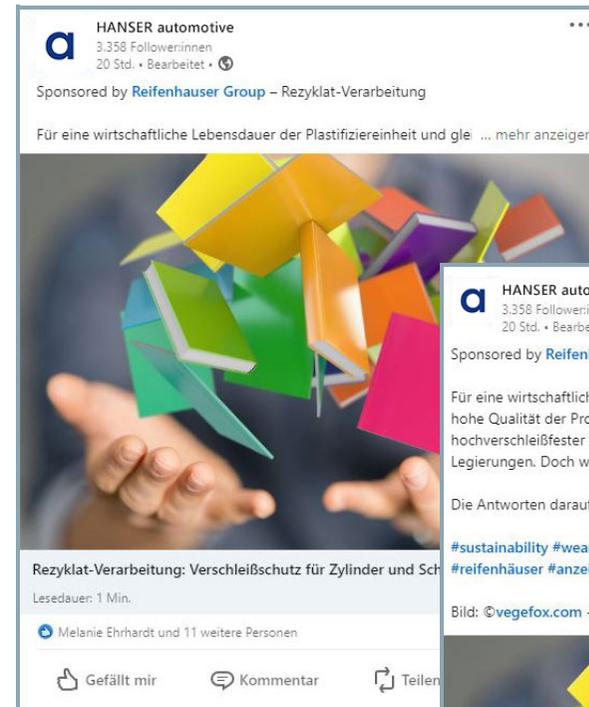

#### Scope

- Headline
- Teaser text
- Social media hashtags (max. 5)
- Tagged with „Sponsored by (company name)“

#### Price

€ 490,-  
(Not eligible for discount of any kind incl. agencies)

Note: You also can use a post on LinkedIn to push the performance of your content marketing ad.

## Whitepaper – gain leads

including LinkedIn and newsletter activities

Offer valuable knowledge and attract potential customers. Users are willing to pay for useful information with their contact data. The user registers for the PDF download, and we send you the data.

Convince prospects by solving problems. Answer the questions that are on the reader's mind. This is how you convey competence and build trust.

### Whitepaper

Suitable documents are for example

- Use cases/ Best Practise/ Success Stories
- Process description
- Research or study results
- Product description which shows the customers' benefits rather than product features

### Performance

- Promotion of your whitepaper by newsletter and post on LinkedIn
- SEO: keywording based on our topic classification system
- Display in thematic channels
- Display as reading suggestion under similar articles
- Link to company entry in our comprehensive Business Directory

### Runtime

- Whitepaper » 6 months
- Push-Newsletter-Ad for Whitepaper » 2 x
- Post on LinkedIn » 1 x

### Price

€ 1,250.--

All rates are subject to Value Added Tax

The screenshot shows the Hanser Automotive website interface. At the top, there is a navigation bar with links for 'Verlag', 'Kontakt', 'Mediadaten', 'E-Paper', 'Abo', and 'Newsletter'. The main header features the 'HANSER automotive' logo and a search bar. Below the header, there are several menu items: 'THEMEN', 'NACHRICHTEN', 'NEUE PRODUKTE', 'OEM SUPPLIER', 'MOBILE AUTOMATION', and 'IAA MOBILITY'. The main content area is titled 'Whitepaper' and displays a list of articles. Each article includes a thumbnail image, a title, a brief description, and a 'Teilen' (Share) button. The articles include:
 

- Realistisch simulierte EMS-Tests an Radarsensoren** by ROHDE & SCHWARZ GMBH & CO. KG. Description: Erfahren Sie mehr über ein Testverfahren, bei dem realistische Szenarien simuliert und ADAS-Radarfunktionen im Rahmen der Störfestigkeitsprüfung aktiviert werden.
- Globale Trends bei Ladestandards für Elektrofahrzeuge** by KEYSIG IT TECH INOLOGIES. Description: Möchten Sie lernen, wie Sie internationale Ladestandards für Elektrofahrzeuge (EV) effizienter testen?
- Studie: The Innovation Race** by PROTO LABS GERMANY GMBH. Description: Die Automobilindustrie steht vor einer Zeit beispielloser Chancen und Veränderungen.
- Stromversorgungslösung für 48V/12V-Batteriesysteme** by ANALOG DEVICES GMBH. Description: Die Zukunft von autonomen Fahrzeugen mit sowohl einer 12V- als auch einer 48V-Batterie steht unmittelbar bevor. Fast alle großen Automobilhersteller haben in den letzten Jahren an der Erprobung solcher Systeme...
- Test komplexer autonomer Fahrzeugdesigns** by KEYSIG IT TECH INOLOGIES. Description: Autonome Fahrzeuge verbinden zahlreiche Sensor-, Computer- und Kommunikationstechnologien, um das Fahren sicherer zu gestalten und die Fahrerfahrung zu verbessern.

 On the right side of the page, there are two large advertisements: a red one for 'VECTOR' and a blue one for 'dSPACE' with the text 'Ready, set, done. SIMPHERA. Enter simpliCity.' At the bottom, there is a banner for 'GLIV' with the text '20.-21. Oktober 2021, Bonn. Der wichtigste Branchentreff für Elektronikexperten' and a 'jetzt anmelden' button.

## Attractive promotion in the newsletter
