Title	Kunststoffe				
Characteristics:	Kunststoffe informs about current technical developments and trends in the plastics industry. Exclusive insider reports are the hallmark of Kunststoffe and make the magazine a trend-setting source of information. The high level of expertise ensures that Kunststoffe has by far the highest paid circulation within the German plastics press. Kunststoffe is published by Carl Hanser Verlag and, in addition to daily updates, offers a newsletter and access to all articles from recent years at www.kunststoffe.de.				
Target group	The target group of Kunststoffe consists mainly of recipients in the plastics processing industry (incl. own application).				
Publication frequency	monthly: 12 x yearly				
Magazine size	DIN A4				
Edition	112th edition in 2022				
Subscription price	<table> <tr> <td>Combined annual subscription</td><td>€ 399.00</td></tr> <tr> <td>Retail price (Prices incl. VAT and plus shipping costs)</td><td>€ 33.90</td></tr> </table>	Combined annual subscription	€ 399.00	Retail price (Prices incl. VAT and plus shipping costs)	€ 33.90

Your Advertising Medium for all English Speaking Top Executives Worldwide!

Kunststoffe international has been published as the English edition of **Kunststoffe**.

With topical articles from **Kunststoffe**, **Kunststoffe international** competently provides information in English on technical developments and industry trends. One trademark: the exclusive insider reports – they form the profile of the magazine as a trend-setting information carrier for the increasingly global performing plastics processors.

Kunststoffe international is published by Carl Hanser Verlag and is complemented by a website with extensive offers in English at www.kunststoffe-international.com

Target Group Top Executives

Kunststoffe international is distributed to more than 2,000 highly reputed top executives in the plastics industry worldwide. It is also distributed at important major trade fairs.

Web address

www.kunststoffe.de

Brief characteristics

Kunststoffe.de is the comprehensive business website for everything to do with the processing of plastics.

Kunststoffe.de contains detailed information about:

- Sophisticated, specialized information about plastics from the magazine Kunststoffe and the Hanser range of reference books
- Current new and important dates
- Current product developments, patents and technical trends
- The big job market of the industry
- The big company database »business directory«

Target group

The website is aimed at specialists and managers in the plastics processing industry, together with scientists and students and all those engaged in production operations and the provision of services associated with plastics.

The usage data and recipient numbers are constantly changing.
Request the current numbers:
romy.frueh@hanser.de

Delivery address

Please send the advertising material for your campaign to:
media@hanser.de

Delivery

5 days before campaign start

File formats

JPEG, PNG, GIF oder HTML5*

Meta-information

We require the necessary meta-information upon delivery:

- Customer name
- Campaign time frame
- Advertising format
- Contact for inquiries
- Click-URL

For the technical specifications, please refer to our
Mediacenter on; **www.hanser-mediacyenter.de/guidelines-
und-technische-spezifikationen**

Note: A processing fee of 50.-- Euro applies for the
delivery of physical HTML5 advertising media (hosting on
our ad webserver).

Reporting

At the end of the campaign, you will receive a detailed
statistical evaluation, which will provide you with exact
information about the success of your marketing activities.

Usage data

The usage data of **www.kunststoffe.de** and the number of
recipients of the newsletter are constantly changing.
Therefore, ask for current figures:

Online retargeting campaigns

In these days of information overload it becomes increasingly difficult for your potential customers to keep your brands and offers in their minds. With the **online intensive campaigns** we increase your gross contacts to your potential customers and take care that they remember you distinctly through gentle advertising pressure.

The **online intensive campaigns** will play back your advertising on **www.kunststoffe.de** and also everywhere on the Internet. This works because of our far branched partner network.

Which package is right for you?

Package 1 50,000 Ad Impressions	€ 2,500.--* plus VAT
Package 2 100,000 Ad Impressions	€ 4,500.--* plus VAT
Package 3 250,000 Ad Impressions	€ 7,500.--* plus VAT

It works like this:

We flag up the visitors to our portal with a cookie – as potential customers for you. Of course, in compliance with the GDPR.

We rediscover the previously flagged visitors everywhere in our far branched partner network.

We play back to the previously flagged visitors your online advertising in all formats and in real time.

*In addition to your booked online-advertising on **www.kunststoffe.de**

In detail

Specialists consult our portal and receive a cookie as potential customers for your sector.

We subsequently rediscover the user on third party sites everywhere in the world wide web – on all types of devices.

We play back your advertising on the sites subsequently visited.

The user is directed to your website or to a special landing page
