ABOUT ME

Front-end developer with a passion for building SPAs and JAMstack sites focused on usability and performance. I am an avid learner and diligent developer who enjoy working in multidisciplinary teams.

EXPERIENCE

FRONT-END DEVELOPER

TAYa | Madrid, Spain | Sep 2020 - Jul 2021

- Designed and developed widgets and financial SPAs using Angular and AG Grid following a reactive pattern with RxJs.
- Built an Angular UI component library to reuse components and a light design system with Storybook.
- Migrated Angular projects to a Nx monorepo.
- Rebuilt TAYa corporate website from a WIX site to a responsive multilingual JAMstack site. Lighthouse score reached 100 and was increased by a 27% for desktop and by a 283% for mobile.

JUNIOR WEB DEVELOPER

Boream | Madrid, Spain | Apr 2020 - Jun 2020

- Developed a full-stack web application to share photos between users.
- Team work using SCRUM methodologies and Git for system version control.
- HTML5, SCSS, Angular 9 and Strapi as headless CMS.
- Unit testing with Jasmine and e2e with Cypress.

BIostatistician Trainee

LINICAL, SA | Madrid, Spain | Apr 2019 - Sep 2019

- SAS programming of TFL (tables, listings and figures).
- Quality control of TFL programs.

EDUCATION

FULL STACK DEVELOPMENT BOOTCAMP

Boream, Madrid | Jan 2020 - Jun 2020

I learnt, not only about web development tools (MKAN stack), but also about best practices and soft skills to become a better developer. Won the individual and the group challenges.

BSC IN BIOLOGY

Complutense University of Madrid, Spain | Sep 2014 - Jul 2018

Granted an Erasmus + Studies scholarship to study in the University of Birmingham for 9 months where I completed my Final Year Project.
