***We calculate the costs for passers/uninsured care directly and request you to pay these costs prior to the treatment, if possible by card.***

#### **\*Additional surcharge for clients from abroad**

This declaration includes the extra costs we make for clients from abroad because the treatment requires more organization and coordination than for clients who live in the Netherlands. As these additional costs have not been included in the officially set tariffs we are forced to pass them on to you. This fee must be paid before the first visit to our clinic. You will get a refund if there will be no further treatment after the first visit.
